

Local News and Personal Items

The Observer asks every reader to help make this page interesting by contributing any local news or personal items they may know about. The editor must depend on the parties interested to supply items for this page. Don't hesitate to send personal concerning yourself and your family; we want them all. Don't blame the editor if what you expect to see is not here if you have not yourself taken the pains to see that the office was informed of the item. Anything in the nature of advertising appearing in these columns must be paid for at the rate of 4 cents a line. This applies to Cards of Thanks, Announcements of Marriages or Deaths, For Sale, Wanted, Lost, Found, etc. Changed items will be 10 cents a line. Better send the money with the item, counting six words as a line. No ads less than five a week.
