#### Sympathy for Bereft Parents

From Dr. Kenneth B. Tracey of Kennebunkport, Me. comes the following whichwill e read with much interest:
"Enclosed please find \$1.50 for

which please send me The Observer for one year. My sister at Lakeville has sent me a couple of copies in one of which I read the letter written by Sam Barter to Odbur Orser, giving a descrip-tion of the grave of their son Archie. It sure made me feel sad as it brought back old memories as it brought back old memories of the good old days spent in Windsor when I taught there and the same Archie Orser first began his school days under my care If you care to I would be catalogue and terms to care. If you care to I would be very grateful if you would publish this letter and thus express to Mr. and Mrs. Orser my deepest sympathies in the loss of their son, also to any of my friends who have lost relatives in this

'I might add that the young men from this town have just landed in France to fight for Democracy."

#### King Potato

It has been facetiously called a spud, and a murphy. On the rect and save the agents commission, of stage it was a familiar jest. In which you get the benefit. Our prices the grocery store it was often will be sure to interest you and all stock used as a stopper for the spout of is absolutely first-class and true to name an oil can. Yet, like many another hero regarded as insignificant in the thoughtless, care-free days, the Lotato has gloriously risen at the call of its country. When conservation of

t became a necessity, the potan offered itself as a substitute. Alternately it served as beef. ham and mutton. At the appeal of the Allies for more wheat it again stepped into the breach Dental Surgery in all its branches. Artand proved that it could be turned into an excellent flour. Nor did its versatility end there. In England it is now helping to overcome the shortage of fats by taking the place of butter. All had the in significant spuds! It is the staff of life. It is the backbone of the food substitution. I is doing its part toward winning the war quite as extensively as the sword.

#### GIRLS! WHITEN YOUR SKIN WITH LEMON JUICE

Make a beauty lotion for a few cents to remove tan, freekies, sallowness.

Your grocer has the lemons and any drug store or toilet counter will supply you with three ounces of orchard white in the orehard white and shake well. and cakes for sale. This makes a quarter pint of the very best lemon skin whitener and complexion beautifier known. Massage this fragrant, creamy lotion daily into the face, neck, arms and hands and just see how freckles, tan, sallowness, redness and roughness disappear and how smooth, soft and clear the skin becomes. Yes! It is harmless, and the beautiful results will surprise you.

#### Armand School

Following are the results of examinations on work taken in this school. Grade V-Elva London 82,

THE Observer has now one of the best equipped Printing establishments in the province for the production of the work it specializes in. The very latest type faces, latest models of improved machinery, the highest skill obtainable are employed. Paper Stock is bought direct from the mills at jobbers' prices, so that in every possible particular this prosperous Hartland industry can successfully compete with the largest plants in the cities. Supplying its product at the same prices as the city printers and supply houses, The Observer Printing Office, thriving under country economies and low overhead costs, makes more profit on every job than its big competitors of the cities, where the H. C. of L. is infinitely greater.

The Observer Printing Office assures you the very highest grade of workmanship, and your choice of the cheapest or best paper made -"Made-in-Canada" brands, only. And if the manager was an apostle of price-cutting he could skin his competitors alive.
