SACKVILLE, N. B., THURSDAY, AUGUST 18, 1887.

(Rev. P. B. Strong.) One day the sweetest fairy, Good Humor is her name

"In fact, it is amazing
(So tell the girls and boys),
When through these glasses gazing,
How griefs turn into joys."

I've found that she related
Not half what might be told;
Their worth could not be stated
In rarest gem or gold.

They give to all things beauty, And, lowly though it be, There's charm in any duty I through these glasses see.

For one must always use them I've learned, so bear in mind Or else he's sure to lose them, And they are hard to find.

Alcohol and the Nerves.

exclaimed John in response to some-thing I had said. "I'll never believe

"Indeed! But hadn't you better

the Falls of Niagara to those of tell you. When I spoke, the air was and that only one of them in the entire country should give instruction is the mables him to secure his object, while that of Blaine obtains him only second place in a race that only offers single purse. All things to all men, thy drum is stretched to receive them, and this was made to vibrate.

in them paralyzes the nerves somewhat in the same manner as that man was paralyzed to whom Edith just now referred. You have only to see a man who has taken a quantity of

such liquor to be convinced of what I have said. Go to him and ask him if he can walk straight, and then to if he can walk straight, and then to test him, draw a straight chalk-mark twenty yards long, and ask him to walk upon it. He may try, but he will assuredly fail. Now, place silver dollar at every ten paces, and tell him he may have them if he will walk upon the mark, and even then, although he is anxious to walk straight, he will starger and leave the straight, he will stagger and leave the

Something for the Children

With feotsteps light and airy, Into my study came. "Write to the lads and lasses,"
She said, "throughout the land,
And say I have some glasses,
Most wonderful, on hand.

"Each pair the power possesses So to affect the sight, That nothing seen distresses, For everything looks right.

"What once seemed sad and dreary Through them looks glad and gay The cloudiest day seems cheery, And work appears but play.

"And now," she said, when starting,
"That you may know how true
Is all I've been imparting,
I'll leave a pair with you."

So, children, get and prove them, They'll cause you glad surprise And then do not remove them A moment from your eyes.
