THE Subscriber has on hand a choice selection of Goods in his line for the Holidays, consisting of giving all the latest news by telegraph, editorials on the most important question, a comprehensive correspondence column, a valuable department devoted to the contem-

gazines—in fact, each number is the world's history for a day.

Price including postage, \$3.00 a year.

The Weekly Witness bears the same relation to the week as the daily does to the day. In this paper the news is summarized and condensed to the smallest space, that everything may have a place. Its great popularity is shown by its CIRCULATION OF 30,500 COPIES

Amongst the best classes of the community.
This immense circulation justifies its publishers in placing the price at \$1.10 a year, and when the number of subscribers reaches 37.000. which seems likely this year, the price will be reduced to the round dollar.

The

ALMOST UNANIMOUS OPINION expressed of the WITNESS by those who have tried it is that of Donald Grant, a subscriber from Portage La Prairie, Manitoba, who writes: "The WITNESS is such a necessity that to do without it is simost an impossibility."

The NORTHERN MESSENGER is an eightern described the supplementation of the s

HUNDREDS OF EVIDENCES every year of the important work it is doing in the Sunday school and by the fireside. Owing to its immense circulation of over 51,-000 copies, we have been enabled to make

great improvements in its appearance, even at its present price. It has recently been improved in appearance by the addition of a neat border, which will make it much better liked than ever before, not only being a valuable paper but a beautiful one. There is also an edition at this paper ducted to an edition of this paper devoted to SUNDAY-SCHOOLS.
