Old Nursery Favorites.

There was Tom, the Son of the Piper,
Jack Sprat, and Merry King Cole,
And the Three Wise Men of Gotham,
Who went to sea in a bowl:
The woman who rode on a broomstick,
And swept the cobwebbed sky,
And the boy who sat in the corner,
Eating his Christmas pie.

These were some of the old favorites, but they have been supplanted by the "Pansy" and "Chatterbox" stories "Little Lord Fauntleroy," and "five Little Peppers." The Old fashioned pills and physics have been superseded, and wisely, too, by Pierce's Purgative Pellets, a mild, harmless and effective cathartic. They are pleasant to take—so gentle in their action that the most delicate child can take them, yet so effective that they will cure the most obstinate cases of constipation, stomach, liver and bowel troubles. They should be in every nursery. As a gentle laxative, only one for a dose.

Prize.

Mr. John O'Shea, of North Esk, Northumberland County, got the third prize for the Agricultural Stallion Young Chief at th late Exhibition in St. John.

Tug on Fire.

During the night of Tuesday last the tug Mascott took fire while moored at the Muirhead wharf in Chatham. Before the fire was got under she was damaged to the extent of nearly $1000. She was insured in the Queen for $5000.

Correction.

We are requested by Mr. Samuel Russell, of Doaktown, to say that the statement in the ADVOCATE of the 8th October that he intended selling out to Dr. Weir, is without foundation as he has no intention of selling and the Dr. none of buying.

General Intelligence.

AN I. C. R. TRAIN NARROWLY ESCAPES.

On Wednesday evening last, as engine No. 40 was running tender first near Petit Roche, en route to Bathurst, Driver R. H. Coggon, who was in charge, struck what he supposed, by the noise the animal made, to be a cow; but not knowing whether anything had been kil'ed or not he did not report any casualty. On Friday when passing the same place he stopped and looked over the dump, and to his great surprise he found a large cow moose killed. Mr. Coggon thinks that the animal had evidently got bewildered and ran towards the approaching train. Its legs were all broken and one of the antlers broken from the head. It is said by Conductor James Henderson, of Moncton, and several old sportsmen, to be the largest moose ever seen in the northern section. The section men in Corbett's crowd found that it had commenced to decay and buried it. Had it not been lifted from the track the engine must have went from the track and over the dump, and a great danger to life and limb would have been the result. Conductor Ed. Bowser, who was in charge of the train says he felt the shock when the engine hit the moose.—*Transcript.*
