**Detroit Man Ouarrelled** With Sweetheart.

Lineman Electrocuted High In the She Went to Theatre With Another Man.

Went Broad Road With Usual Result.

Detroit, April 18 .-- Jealousy over the voman in whose house at 143 First street he had roomed, led to the shooting of Mrs. Bessie Gilbert by Gus Long, yesterday morning. Long, who is known about town as "Snooze" Long, then turned the weapon upon himself and sent a bullet through his brain.

Long died within a few minutes of the shooting. Mrs. iGlbert is at St. Mary's Hospital, where the physicians say that her death is expected at any time. Mrs. Elizabeth Gard, who rooms in the place, was the first to discover the tragedy.

Ms. Gard had gone from the home for a few minutes, and when she returned her attention was attracted by groans coming from Mrs. Gilbert's room Opening the door, she found Long lying lifeless on the floor, the revolver still clutched in his right hand. Mrs. Gil-hert was lying across the bed, blood flowing from two wounds.

llowing from two wounds. Mrs. Gibert was Long's sweetheart, according to Mrs. Gard. She told Chief of Detectives McDonnell yesterday that Long and Mrs. Gibert had gone out frequently. Mrs. Gibert had gone out frequently. Mrs. Gibert had gone out to a theatre with another man on Wed-nesday night, according to Mrs. Gard's story. Mrs. Gilbert and Long are said to have had a violent quarrel over this fact. This undoubtedly led to the shoot-

cuted Realizing that death had come to thei: fellow, other workmen climbed the pole from which Smith had fallen and rescued the body before the current could deface it more. Smith's body and

his clothing were badly burned before the workmen could reach the high ten-German freighter Braunfels came into sion wire that held the body. port this afternoon from Calcutta, af-

er a series of adventures. When the freighter left Ceylon she had aboard freighter left Ceylon she had aboard four hundred monkeys, a lit of tigers, leopards and snakes and a big cargo of molasses and rum. When about a week out an orangou-tang got loose and went around break-ing open the monkey cages. Before the crew could stop him the four hundred monkeys were roaming around the

sion wire that held the body. Smith was a lineman in the employ of the local street car company. The wires were giving trouble and Smith, in company with others, was sent to repair the damage. He worked at the top of the pole for several minutes and then lost his balance. With a shrick. Smith plungeil toward the ground. Just below was the high tension wire he had avoided in making the ascent. Smith's body struck this. In an instant the man's body was limp as the current burned its way through his flesh. As soon as they could rally from the shock of seeing their companion elec-trocuted, the other workmen climbed the pole. By the aid of repair tackle, Smith's body was lowered. Smith was a young man, unmarried. nkeys were roaming around the ks. They got into the cargo, got lecks. drunk on rum and emptied molasse over everything. The crew was power less and the ship was given over to the animals until she docked.

ANNA MARRIED.

#### Was Prince Helie's Wife Before She Came Here.

Paris, April 18 .- The Cri de Paris,

taken up the matter of the condition of the police cells where female prisoners are sometimes lodged. A petition has been sent to the proper authorities ask-ing that a matron be engaged to look after women and girls while they are detained in the cells, and also to go with the patrol when any females, young or old, are to be arrested. As Central Union has a membership of over one hundred active, influential women it is sure to accomplish some good for the women unfortunate enough to become liable to arrest. which professes to chronicle the do-ings of the fashionable set of Paris, insists in its issue to-day that the insists in its issue to-day that the marriage of Madame Anna Gould, for-merly the wife of Count Boni de Cas-tellane, and Prince Helie de Sagan, his cousin, already has taken place. This marriage was celebrated secret-ly in a little town on our eastern frontier. When in New York Mme. Gould informed her family that her wedding already was accomplished fact that this is why members of her family so quickly consented.

#### CHESTER STRIKE.

Chester, Pa., April 18:-The State po-lice who have been ordered here to maintain order during the street car trike average to here the situation well Des Moines, La., April 18 .- The great strike appear to have the situation well conference of miners and operators of lowa agreed yesterday on a wage scale, in hand. Here and there occasionally there are small street fighting, but nothing approaching a rioa has occurred since the troopers took charge.

which is a duplicate of the expired contract. The new agreement is to cover one year. The only step remaining for a re-sumption of work is the ratification of the agreement by the Miners' Union, the operators having already ratified it.

Four men and an auto were the couse of a serious accident yesterday after noon, in which two ladies were hurt and the conduct of the autoists in going right on after seeing the results of their crazy speeding is classed by the police as both brutal and cowardly, and the authorities are hotfoot after them. They will be taught a lesson if they are caught. Miss Gladys E. Plewes, head caught. Miss Gladys E. Plewes, headbookkeeper for Lake & Bailey, and re-siding on Delaware avenue, and Miss Elizabeth Zimmerman, 49 Victoria ave-nue south, niece of Dr. R. J. Husband, were out driving yesterday afternoon, and were returning home about the mid-dle of the afternoon. They had just passed Dr. Husband's residence, on Main street, west of Bay, when the automo-bile, containing four men, passed them at a terrific rate of speed. Their horse immediately took fright and bolted to the sidewalk over a heap of sand, where repairs were heing made to the cement bookkeeper for Lake & Bailey, and repassed Dr. Hussand's residence, on Main street, west of Bay, when the automo-bile, containing four men, passed them at a terrific rate of speed. Their horse immediately took fright and bolted to the sidewalk over a heap of sand, where repairs were being made to the cement

across Bay street. A crowd quickly gath-ered and Constable Cameron took

**GREAT WIND AND RAIN STORM** DEMORALIZE FORT WORTH

### Trains Cancelled, Wires Down, Houses Flooded, **Circus Wrecked and Lions Lost.**

Fort Worth, Texas, April 18.—With telephone, telegraph and railroad service almost completely suspended, Fort Worth was last night the centre of the worst wind, and rain storm that has two exceptions, every railroad out of this city was forced to annul trains owing to washouts and loss of bridges, and a miningipt the telephone companies reported all wires out of Fort Worth lost. Cleburn, 20 miles south, was struck by a wind storm of tornado proportions followed by a torrential downpour of this. Within 20 minutes after the storm of the bottoms.

\* Chickey

Boyd and The Toronto General Trusts Corporation, to recover the balances due on said legatees, viz.: \$1.800 and \$800, respectively. Mr. Matone claims that the executors have been allowed for one year's service the sum of \$7.962.69, and that other legatees have been paid in full, although the legality of the pay-ments will be called in question.

SMALL FIRES.

SMALL FIRES. The fire department were out three times yesterday. The first time was in the morning to an oil shed on the G. T. R. at the head of Victoria avenue. The loss on this was small as the first as-sistant chief and the Victoria avenue company, soon put the blaze out. About 8. 10 hast evening the depart-ment were called to 175 Main street west where a bonfire had scared some of the neighbors. While they were out the reserve companies were called to Irwin's tin shop on MacNab streed south. A hot ash can had started to burn through the floor, but the blaze was soon under and the loss small. **THE VITACE ADU** 

THE VITAGRAPH. One of the attractions that drew large

One of the attractions that drew large crowds at the matinee and evening per-formances ,vesterday was the vitagraph in Association Hall, and those who visit-ed the show were certainly well repaid. This being the last week, a very strong programme has been put on. To-day the last performances of the season will be presented, and for two hours amusement, instructive and inter-esting, there is nothing to beat it.
