

vertical firing, the position with which the shells were thrown, observed the column of attack advancing up the height, and heard their hurrah sounding above the din of battle, a shout of enthusiastic admiration, I have been told, burst from the assembled multitude.

The Hark Great Britain, Switzer, for London, left port this morning in tow of the S. George Steamer.

His Excellency the Governor-in-Chief has been pleased to make the following appointments:— Joseph Bay, E. M. M. Knott, and J. Gosselin, Esq., to be Commissioners for the Summary Trial of the Parish of St. George, in the County of Belandine, under the 6th Will V. cap. 7.

Our advice from Paris by the Orleans was to the 15th of May instants. The morning's post brought the arrival of the Herald, which brought the news of the death of the King of France.

It is stated in the latest private intelligence that an action has been actually commenced against Lord Alton, by the Hon. Mr. Keppell, for a cause of a delicate nature, to which allusion has been frequent in the public journals.

Mr. Barron, against whose charges of larceny had been preferred before the Synod of Philadelphia, has been acquitted by the General Assembly at Pittsburg. The vote on the occasion stood thus:—in favor of Mr. Barron, 100, against him 94, majority 40.

The Upper Canada journals teem with election addresses. In the most of these we have read there is a lack of those sterling principles which ought to be made the foundation of the fitness of candidates for the office of legislators.

The Temperance Address has reached the second number of the second volume, under auspices more favorable than its commencement, and which are likely to secure to it a still further extension of circulation.

It is a record of interesting information on the subject on which it treats.

The Temperance Address is published monthly at the trifling expense of subscribers of half a dollar per annum.

There is a rumor current in the Upper Province, which appears to rest on a very slight basis, that Sir Francis Head is to be immediately recalled.

We received, yesterday, from the enterprising village of Berlin, U. C., Sir Francis Head's Speech at the proposition of the last Parliament, in German.

The letter bag at the Exchange News Room, for Liverpool, by the ship Robertson, will be closed this evening.
