**CONSUMPTION  
 CAN BE CURED**  
**IS A FACT ATTESTED BY THE HIGHEST MEDICAL  
 AUTHORITIES IN THE WORLD.**

A careful observance of the laws of health, and the systematic and persistent use of Scott's  
 Emulsion of Cod Liver Oil with Hypophosphites of Lime and Soda  
 will secure the restoration of the vitality of those who are afflicted with  
 consumption, in a form perfectly palatable, and acceptable to the most delicate stomach, and we  
 make the unqualified statement that Scott's Emulsion is being used with better results  
 and endorsed and prescribed by more physicians for consumption than any other medicine  
 to it, such as Chronic Coughs, Bronchitis, Scrophula, Anæmia, General Debility and the  
 Wasting Disorders of Children, than any other remedy known to medical science. The rapidity  
 with which patients improve on this food medicine diet, is truly marvellous.

**See What Physicians and the People Say About It.**  
 Messrs. Scott & Bowne: 66 West Thirty-sixth Street, New York, September 2, 1876.  
 GAVES.—I have frequently prescribed Scott's Emulsion of Cod Liver Oil with Hypophosphites during  
 the past year, and regard it as a valuable preparation in scrofulous and nervous cases, palatable  
 and efficient.  
 Messrs. Scott & Bowne:—Gentlemen,—Within the last year I have used in my own family, and in my  
 private practice prescribed very extensively Scott's Emulsion of Cod Liver Oil with Hypophosphites and  
 found it a most valuable preparation, especially in diseases of children. It is agreeable to the most delicate  
 stomach; which renders it a very reliable agent as a nutritive remedy in consumptive and scrofulous cases.  
 Oct. 12, 1879.  
 Yours respectfully,  
 A. H. SAKTON, M. D., Baltimore.

Messrs. Scott & Bowne:—Gentlemen,—Within the last two months I have fairly tried Scott's Emulsion of  
 Cod Liver Oil with Hypophosphites, and I candidly declare that it is the finest preparation of the kind  
 that has ever been brought to my notice; in affections of the lungs and other wasting diseases, we can consider  
 it our most reliable agent, in a perfectly agreeable and elegant form.  
 December 10th, 1878.  
 Yours truly,  
 J. SIMONAUD, M. D., New Orleans, La.

Messrs. Scott & Bowne:—Gentlemen,—In September, 1877, my health began to fail and my physician  
 pronounced it spinal trouble; under his care I got some relief from pain, but my general health did not improve,  
 and early in the year I began to lose blood and rapidly grew worse. In May last I was taken with a violent  
 bleeding which brought me to my bed and my life was despaired of for many weeks; violent symptoms appeared,  
 night and morning cough, and chest trouble, and I was ordered to take a course of cod liver oil, but I could not  
 stomach it, and I used various preparations, but they did me no good. I lost all hope of life and was an object of pity to all my friends. Last September I purchased a  
 bottle of your Emulsion and before it was all taken I was better. I afterwards bought a dozen bottles, with the  
 following results: Cough subsiding, night sweats stopped, appetite returned, pains in spine disappeared, strength  
 returning, and my weight increased from 118 to 140 pounds in sixteen weeks. I have taken no other medicine  
 since commencing with your Emulsion and shall continue its use until I am perfectly well. I frequently meet  
 some friend on the street who asks, "What cured you?" and I answer, "Scott's Emulsion of Cod Liver Oil,  
 etc." I have a friend who has not spoken aloud for 12 months, and he is getting better. I gave him a bottle,  
 and he bought two more, then got a dozen, and says it is food and medicine for him. He was given up to die a  
 year ago, but is improving now wonderfully. I am sure I shall entirely recover.  
 January 20th, 1879. Very truly yours  
 H. F. SLOCUM, Lowell, Mass.

Messrs. Scott & Bowne:—  
 About the 25th of last April I got a bottle of your Emulsion and at that time I was so prostrated that no one  
 who saw me thought I could live longer than a few weeks at most. I could retain nothing on my stomach and  
 was literally starving. I commenced the use of the Emulsion in small doses; it was the first thing that would  
 stay on my stomach; I continued its use, gradually increasing the dose; and from that hour I commenced  
 mending, and now am able to ride and walk, and am gaining flesh and strength rapidly. I have advised other  
 parties to try it, and some two or three have already tried it. I am sure I shall entirely recover.  
 I am gratefully yours,  
 R. W. HAMILTON, M. D.
