The light, flaky Pie Crusts, Cookies and Doughnuts—the delicious, "homey" nutlike flavor of the Bread and Rolls—will be doubly welcome after the tough, almost tasteless bread made with western spring wheat flour.

#### \$100 REWARD, \$100

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is catarrh. Catarrh being greatly influenced by constitutional conditions requires constitutional treatment. Hall's Catarrh Cure is taken internally and acts thru the Blood on the Mucous Surfaces of the System thereby destroying the foundation of the disease, giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in the curative powers of Hall's Catarrh Cure that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials. Address: F. J. #### NOT TO BE "OSLERIZED"

Mr. Thos. Jeffrey sr., sixty years of age passed through an experience last Thursday afternoon which would test the vitality of a much younger man. When engaged in loading lumber upon a steamer lying at the Hickson wharf Mr. Jeffrey in walking up the gang plank lost his footing and fell between the wharf and the vessel into the water a distance of about twenty feet. In his descent he struck his head against a projecting beam from the wharf and was stunned. Fellow workmen pulled him out of the ice cold water, and in a few moments Mr. Jeffrey was able to walk home. There he went to bed and Friday was back at work apparently none the worse for his bump and chilly dip of the previous day. Mr. Jeffrey declares he is no fit subject for "oslerization" yet his experience seems to prove his statement.

#### HARD WORKING WOMEN

Will Find New Strength Through The Use of Dr. Williams' Pink Pills

It is useless to tell a hard working woman to take life easily and not to worry. Every woman at the head of a home; every girl in offices, shops and factories is subjected to more or less worry. These cannot be avoided. But it is the duty of every woman and every girl to save her strength as much as possible, and to build up her system to meet unusual demands. Her future health depends upon it. To guard against a breakdown in health the blood must be kept rich, red and pure. To keep the blood in this condition nothing can equal Dr. Williams' Pink Pills. They strengthen the nerves, restore the appetite, bring the glow of health to pallid cheeks, and renewed energy to listless people. Women cannot always rest when they should but they can keep up their strength and stay away disease by the occasional use of Dr. Williams' Pink Pills. Mrs. N. E. Tompsett, Ottawa, Ont. writes:—"For several years I suffered terribly from nervous debility and was scarcely able to do a thing. During that time I consulted several doctors, and many medicines without getting any help, and I began to think that I would never get better. One day I saw Dr. Williams' Pink Pills advertised and thought I would try them. After taking four boxes I was much better, but I continued using the pills for several months when I was again in the best of health. When I began taking the pills I weighed only 100 pounds. While under their use with my renewed health I now weigh 140. I recommend Dr. Williams' Pink Pills to every one whom I know to be ailing. You can get Dr. Williams' Pink Pills from any dealer in medicine, or by mail at 50 cents a box, or six boxes for \$2.50 from The Dr. Williams' Medicine Co., Brockville, Ont.

### OBITUARY

#### MISS WINIFRED KEIRSTEAD

A very sad death was that in Miramichi Hospital Sunday morning of Miss Winifred Keirstead, only daughter of Mr and Mrs Justus Keirstead of Scotch Ridge, Charlotte Co near St. Stephen. Miss Keirstead who lived in Hartland where she was a stenographer in the office of Eaty & Curtis, left Hartland for Chatham to attend the Sunday School Convention. Although she was in poor health and took sick in Fredericton on her way, she persevered and reached Chatham. She had pneumonia, however, and on Thursday she was brought to the Miramichi hospital and a telegram was sent to her mother. The telegram did not reach its destination, but notice was sent to Rev. Dr. Goucher, Baptist minister, at St. Stephen, the young lady's former pastor, that she was in the hospital. Mrs. Keirstead understood her daughter was in Chatham, and instead of stopping in Newcastle Saturday night went on to Chatham and could not return to Newcastle before her daughter's death. The broken-hearted mother left Monday morning for St. Stephen where interment will be made. Deceased was a most enthusiastic and efficient church and Sunday school worker and in her zeal for her work she evidently overtaxed her strength. She will be greatly missed by all who knew her. She is survived by her parents and one brother Granville Keirstead, at home. Deceased was 26 years of age.
