## Lemon Juice Is Freckle Remover

Girls! make this cheap beauty lotion to clear and whiten your skin

Squeeze the juice of two lemons into a bottle containing three ounces of orchard white, shake well, and you have a quarter pint of the best freckle and tan lotion and complexion beautifier, a very, very small lot!

Your grocer has the lemons and any drug store or toilet counter will supply three ounces of orchard white for a few cents. Massage this sweetly fragrant lotion into the face, neck, arms and hands each day and see how freckles and blemishes disappear and how clear, soft and white the skin becomes! Yes! It is harmless.

## \$800,000 Addition to Factory Planned for Immediate Future

The article that will not stand the test of war-time conditions, it is not worth making or buying at any time," was the significant remark of Mr J E Aldred, of Shawinigan Water & Power Co., who is chairman of the Board of Directors of the Gillette Safety Razor Co., at the recent convention of the latter organization in Boston. Reports of progress and plans for expansion made at the convention indicated that the Gillette certainly belongs in the category with war-time essentials and notable successes.

Mr A A Blittes, Managing Director of the Gillette Safety Razor Co., of Canada, told of extensions to the Montreal factory which permit of a combined output of razors and blades five times as great as before the war, and of growing exports to such far-off lands as South Africa, Australia and the Fiji Islands.

Mr Frank Fahy, Vice-President of the Boston Company, and Mr Thomas W Pelham, Sales Manager and General Counsel, outlined plans for an immediate addition to the Boston plant to cost \$800,000. When this is completed next fall, the output of the American and Canadian plants combined will reach 15,000 razors and 1,200,000 blades per day. The estimated output for 1918 is 1,400,000 razors and 96,000,000 blades.

The necessity for such rapid increases is shown by a few recent orders. The Y M C A recently sent over seas 6,000 razors and 15,000 dozen blades. The American Expeditionary Forces in France have already been supplied with 65,000 razors and 115,000 dozen blades while a cable order received during the convention from the Gillette representative in Paris called for 200,000 razors and 1,500,000 dozen blades.

Meeting such a demand would be out of the realm of possibility were it not for the really marvelous machines invented and installed by Mr. W. E. Nickerson, the Mechanical and Construction Engineer of the Gillette organization from its very inception. These machines, human in their dexterity and superhuman in their speed and accuracy, turn out over 22 miles of shaving edge a day, every particle of which is tested to split a hair.

Facts place before the Convention go to that to the troops of all the Allied Armies the Gillette is a boon, for it brings to the very front line trenches one of the home comforts which are so rare yet so welcome to the men. Officers, observers and writers agree that the clean shave is one of the strongest factors in maintaining their morale and so bringing victory within reach.

As a result of this demand from the fighting men, three new Gillette sets have been designed, expressly for army and navy use, and will be on sale generally in a short time.

SEED WHEAT AND OATS

Any farmer who wants seed wheat and oats should apply to his County Councillor, who will forward his name to the Dept. of Agriculture, who will attend to the matter and deliver the seed.

## Guard the Baby Against Colds

To guard the baby against colds nothing can equal Paby's Own Tablets. The Tablets are a mild laxative that will keep the little one's stomach and bowels working regularly. It is a recognized fact that where the stomach and bowels are in good order that colds will not exist; that the health of the little one will be good and that he will thrive and be happy and good-natured. The Tablets are sold by medicine dealers or by mail at 25 cents a box from The Dr Williams' Medicine Co, Brockville Ont.

GODFREY-KERR

At the cathedral, Chatham, Feb. 5th, Miss Lottie Kerr of Chatham was married to Freeman Godfrey, Mr and Mrs Godfrey will reside in Winnipeg.

## Catarrrhal Deafness Cannot Be Cured

by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure catarrrhal deafness, and that is by a constitutional remedy. Catarrrhal Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, Deafness is the result. Unless the inflammation can be reduced and this tube restored to its normal condition, hearing will be destroyed forever. Many cases of deafness are caused by catarrrh, which is an inflamed condition of the mucous surfaces. Hall's Catarrrh Cure acts thru the blood on the mucous surfaces of the system.

We will give One Hundred Dollars for any case of Catarrrhal Deafness that cannot be cured by Hall's Catarrrh Cure. Circulars free. All Drug-gists, 75c

F J CHENEY & CO., Toledo, O

## BUIE SCHOOL FOR JANUARY
