BACK FROM THE WEST.

Capt. E. C. Souther, a veteran of three wars, at present in the employ of the Grand Trunk Pacific in charge of the commissariat department, arrived in the ity last night after having made ourney of some 1.700 miles since la spring. In giving a brief outline of h trip to a Bulletin representative he said "From Edmonton I travelled to the Yellowhead Pass. From there down the Fraser River to Quesnel, then staged to Asheroft on the C.P.R. and by rail came back to Edmonton. I struck Prairie Creek and then went on to House, three miles below Teti Jaune Cache. After putting in some time there looking after supplies and incidentally building a dug out, L. Silcox and myself with two Siwashes took the last mai to Goat River. We picked up some oth ers there and the whole party journey-ed to Fort George. We comprised the largest fleet ever seen on the Fraser River. From Fort George to Quesne was the most exciting and pleasant part Auburndale, E. C. Symes, Vermilion, of the whole trip. It was made moonlight and we went 100 miles in 1 Wheatland Centre, Blaney, Wm. Lu- hours. The trip has been made in six hours but at night we had to be mor careful. As it was we struck one rock

> and then we staged 230 miles to Ash "The land," said the captain, "is the whole very good. From here to the mountains the country is good and especially so in the McLeod district. The land at Cache Pecotte is fine and also along the Athabasca River Dominion

that split the bottom of the dug-out for

12 feet. A little more time at Quesno
