HOW CAN WE COUNTER-ACT THE INCREASED COST OF LIVING?

A second's reasoning will supply the answer. Beef and pork are dear and getting dearer all the time, and the cost is out of proportion with their food-value.
EAT MORE BREAD.
There is more nourishment in a shilling's worth of bread than a shilling's worth of beef or pork. But the problem is not done with yet. The shilling's worth of bread is not always the same value. Breadmade from **ROYAL HOUSEHOLD FLOUR** contains more nourishment than any other, because it contains the greatest amount of gluten, the health-giving nutriment of wheat.

ROYAL HOUSEHOLD FLOUR

ROBIN HOOD FLOUR

IS DIFFERENT
IT HAS ROUSED THE CURIOSITY OF THE WHOLE WEST
"Do you really think" one housewife will say to another "that this new flour can be better than the flour we are using?"
Madam, there is no doubt about it. But there is just one way you can be convinced. You must use it yourself.
Our claims will not satisfy you, but we back up our claims in such a way that you will lose nothing by trying Robin Hood.
Your grocer will tell you about our guarantee which gives you back your money if you are not satisfied.
