An Hero of Peace

Elsewhere in this issue will be found the story of a gallant deed of a young Newfoundland fisherman which cost him his life. He was but seventeen years of age and with his companions of the crew was on board the schooner John Harvey, which was driving through the surf to the shore, and all were in deadly peril. John J. Foote was the name of the young fellow who volunteered to try to take a line ashore. He tied a rope round his body, plunged into the raging waters, and swam ashore, and by the connection he had made, Capt. Kearney, his two sons and two seamen reached the shore. Unfortunately the exposure proved too much for the young man, as it did also to another of the crew, and both died from the hardship they went through.

Such bright deeds brighten the annals of any country, and his name should be handed down by his countrymen as one who gave his life to save others. Should not steps be taken to place his case before the trustees of the Carnegie Hero Fund, and if any persons are dependent on him, some assistance might be obtained for them, and at all events his name would be enrolled among the Carnegie List of the Heroes of Peace?

Their Majesties At Suez.

SUEZ, To-day. The King and Queen arrived on board the Medina on the return journey to England from India on Friday.

Asphyxiated at Boston.

Mr. P. Breen of Nunberry Lane, had a letter from his daughter Mrs. John Jacobs, who resides in Boston, by last mail, conveying to him the intelligence of the death of her husband, there recently. His passing occurred in a very tragic manner. Mr. Jacobs after taking tea retired to his bed early and a few hours afterwards was found by some members of his family cold in death. A gas stove heated the bed room, there was evidently an escape from it which he did not notice and he was smothered by the gas as he slept. He left here about 10 years ago and resided for some time at Sydney, but later went to Boston. His wife is in a delicate condition of health also. There are left to mourn him several children and 4 sisters and a father and mother in this city, to whom the Telegram extends its condolence.

Royal Bank of Canada Had Record Year.

Net Profits Amounted to 18.58 p.c. on Stock, While Liquid Assets Now Stand at 49 1/2 p.c. of Total Liabilities to the Public.

Once more the Royal Bank of Canada is able to report in its Forty-second Annual Statement all previous records broken.

Deposits increased over \$16,000,000, which bring the total up to \$88,294,000. Liquid assets amount to \$47,738,000, being 49 1/2 p.c. of the total liabilities to the public. Actual cash on hand, balances on deposit with other banks, and call loans in New York and London, England, exceed 22 p.c. of the total liabilities to the public. Total assets increased during the year from \$92,510,000 to \$110,528,000. Net profits amounted to \$1,152,249, showing an increase of \$200,913 over the previous year—equal to 18.58 p.c. on the capital stock of \$6,200,000. Commercial loans amount to \$59,646,000, being 67.55 p.c. of the deposits.

As will be seen from these comparisons, the bank has experienced a wonderfully prosperous year.

Wedding Bells.

Marriage of Miss Florence M. Dwyer and Dr. William Talbot Scully. The marriage took place at St. Mary's Cathedral, this morning, at 10 o'clock, of Miss Florence M. Dwyer, daughter of Mrs. James Dwyer, Toronto, and Dr. William Talbot Scully, of St. John's, Nfld.

The ceremony was performed by Rev. Dr. Foley, Rector of St. Mary's Cathedral. The altar and sanctuary were beautifully decorated with a profusion of palms and ferns, lilies and white azaleas, and the bridal party entered the church to the strains of Mendelssohn's grand wedding march. The bride, who was given away by her cousin, Michael Dwyer, looked very handsome in a wedding gown of ivory satin, with a white tunic of embroidered chiffon and corsage of pearls, with a long court train, the graceful folds of which were caught up with true lovers' knots. She carried a shower bouquet of white roses and lily of the valley.

Miss Adele Dwyer attended her sister as bridesmaid, looking most winsome and charming in pale blue satin and tunic of pale blue and gold, with which was worn a julettie cap of gold tissue and carrying a bouquet of Killarney roses.

The bridegroom was attended by Mr. Jack Meehan, of St. John's, Newfoundland.

The marriage ceremony was followed by a nuptial mass, and the wedding marches of Mendelssohn and Lohengrin were magnificently rendered at the beginning and conclusion of the ceremony.

E. P. Quinn beautifully sang "Salve Regina" and the "Pater Noster."

Invitations were limited to the immediate family connection and a few intimate friends who were present in the Cathedral and entertained afterwards at a wedding luncheon at the residence of Mr. and Mrs. Dwyer, Young Avenue. The table decorations were exquisitely carried out in roses, arnations, amilax and maidenhair; the drawing room being decorated with palms, ferns and cut flowers.

Mrs. James Dwyer, the bride's mother, wore a handsome costume of black satin with over-dress of steel grey hilt and black hat with white ostrich plumes.

Miss Eileen Dwyer, cousin of the bride, was in white crepe de chene, heavily embroidered with trimmings of chenille, and black hat with white spray.

The collection of wedding gifts were very numerous and handsome, including the bridegroom's gift, a pendant of pearls and amethysts; to the bridesmaid, pearl pendant; to the 'best man,' gold cuff links. The mother's present to the bride was a diamond pendant.

Dr. and Mrs. Scully left by the maritime express for Montreal, New York and Chicago, where they will spend some weeks on a wedding trip before going to St. John's, Newfoundland, where they will reside.

The bride's going away costume was of real blue broadcloth with seal coat and hat having touches of royal blue.—Halifax Recorder, Jan. 9th.

Curious Custom.

It is customary in Germany to mark the attainment of fifty years of wedded bliss by the couple being married over again, and a great gathering of princes and distinguished persons assembled at Dresden to assist at the remarriage of King John of Saxony and his Queen. alluded to the presence of the Emperor and Empress of Germany and other illustrious guests, and reminded those present of the glorious military leadership of the two Saxon Princes, which had been acknowledged by the Emperor William.

He concluded by asking the King and Queen, "Do you promise, in the sight of God, to remain true till the end of your days to the indissoluble and entered into fifty years ago, and, with conjugal unity and mutual help, to serve God, till God you do part?" The King and Queen answered, in a loud voice, "Yes." Thereupon the priestly blessing was bestowed.

The whole party then proceeded to the Court church, where a "Te Deum" was sung, amid rifle firing and salvoes of artillery.

The union was, however, destined to last but one more year, for twelve months all but a few days later King John died.
