Hr. Grace Notes.

Mrs. Fritz Grim, of Woodville Road, has been very sick for the past week or so, but at present there is signs of improvement and her friends are hopeful of complete recovery soon.

Mr. H. H. Archibald left by this morning's train for St. John's on a business trip.

Mrs. Baker, of Bristol's Hope, came to town about five weeks ago to see her son off by train for Sydney. She was taken very sick and has since been forced to remain in town with her niece, Mrs. Thomas Martin, of Victoria Street. Although being very little better, she was taken to her home this morning by her friends, Mr. and Mrs. Martin were very attentive to her while here and did all it was possible to do for the sufferer.

The Hog Pond on Carbonear Road has now a splendid coating of ice and each day crowds of our young lads and lasses go there and enjoy that most healthy pastime—skating. It is a pity we have no skating rink here.

When Station Agent T. G. Ford went to the station yesterday morning he was surprised to see a large pane of glass broken, and he surmised at once that the place had been robbed. On investigation he found that the sum of \$5.00 in small change had been taken, but otherwise everything was found all right. The thieves seemed to have worked in a systematic way, having removed all the putty from the glass with a very blunt instrument, making an indentation resembling that of an awl. They then attempted to take out the glass intact but it broke in the centre. Through this small opening the dishonest party or parties entered and did their work. Mr. Ford at once acquainted Head Sheppard and two young lads of the neighborhood were arrested on suspicion. For

the benefit of the town we hope the police will be able to capture the thief, as well as those who are stealing poultry lately.

CORRESPONDENT.

Harbor Grace, Jan. 9th, 1914.

Spaniard's Bay Briefs.

The stork visited the Rectory on the 7th inst., and left a young daughter to the Rev. and Mrs. Adams. Congratulations.

On New Year's Day, the L.O.A. held its annual parade. The day was all that could be desired, consequently, a goodly number of visiting brethren filled the ranks. The music was supplied by "No Surrender" and "Victoria" bands.

On the Feast of the Epiphany the C.E.A.A. held its annual parade by first attending Divine Service at which service a most eloquent and instructive sermon was preached by the rector, suitable to the occasion. At night a most enjoyable time was held in the Parish Hall at which "No Surrender" band attended and rendered some lively airs.

A concert and tea was put off on the 29th and 30th ult., by the ladies of the East End, when the handsome sum of \$55 was realized.

There passed away to the Great Beyond on Dec. 27th, Mrs. Martin Gosse, a person loved and respected by all who came in contact with her. In the passing of the late Mrs. Gosse, Spaniard's Bay has lost a benevolent and charitable friend. A husband and five children are left to mourn the loss of a loving wife and mother.

The Angel of Death visited us again on the 6th inst., and took from our midst Mr. Richard Kennedy. He was laid to rest on the 8th inst. in God's Acre, there to await the last trumpet. The Orangemen turned out to pay their last respects to their departed brother.

"The Lost Son" Curling Season Opens.

AT THE NICKEL THEATRE.

The programme at the Nickel Theatre last night was an excellent one and gave general satisfaction. The latest "animated news" just received from London, proved popular. The assortment is the finest ever presented here. The subjects were entirely different, all were particularly clear and were watched with the greatest interest. The majority of the scenes were British, while the Paris fashions were marvels of beauty and richness. The Lubin drama "The Lost Son" held the spectator spell bound. It is a thrilling story, faultlessly acted and it made a lasting impression on all who saw it. Those who had not the pleasure of seeing it should make an effort to attend this evening. Mr. Cameron sang "Poor Thing" and made a great hit in it. To-night he will be heard for the last time in this engagement as he leaves to-morrow. His many admirers are sorry he is leaving as his comic songs have pleased everyone. We wish him every success in the future.

Emergency Man.

Mr. Patrick Walsh, of Holyrood, assistant road master to Mr. Ferguson, chief road master of the Reid Nfld. Railway, recently returned to his home after a four months' absence up the line. The latest work entrusted to him is stocking all the coal depots along the line with large supplies of coal for the winter use of trains. A mile or two east of Alexander Bay, the train on which he was a passenger, had a bad run off, and Mr. Walsh's services were requisitioned to get her on again in the quickest time possible, and what was at first thought to be a ten hours' job was successfully accomplished in seven hours. Pat Walsh is an old and faithful servant of the Reid Nfld. Co., and is their emergency man when hard and dangerous work is to be done fighting ice and snow along the line. Mr. Walsh is now home for a short holiday, but as soon as snow fighting commences he expects to be enlisted as one of the snow-fighting generals of the Reid Nfld. Co.

Condition of Water Street.

A CRUELTY TO ANIMALS.

Teamsters and truckmen are again loud in their complaint over the wretched condition of Water Street, which is well sprinkled with sand and salt. This mixture greatly facilitates the operating of the street railway but is a great hardship on poor dumb animals with heavy loads on. The Cruelty to Animals Society took this matter up with the City Council the first part of the winter. The City Fathers, after a lengthy discussion, decided to meet the Reid Company and ask them to close down the car track on the east side of Water St. Still it appears that the evil still continues to the detriment of workingmen and their horses.

Your shoes won't tighten and hurt your feet.

Hockey Notes.

Last night the Fiddians held practice at the Prince's Rink at 6.30 and the St. Bon's at 10.30. Both teams showed up well. It is said that some of the "has-beens" will again don the armor this season. The Fiddians and St. Bon's have excellent puck chasers in their ranks and either should be able to make a bid for the championship.

Last night the first curling match for the season was played for the R. G. Reid Trophy between the Natives and All-Corners, the latter winning by one point.

The scores made were:—

Yesterdays Fire.

An alarm of fire was rung in at 2.40 p.m. yesterday from Box 35 calling the fire brigade to the building in course of erection on Water Street West, next to T. Walsh's, where a slight fire was in progress. One of the workmen was preparing to heat some tar when a live coal from the stove nearby, entered the tar pot, causing a considerable blaze. Very little damage was done and the "all out" signal sounded at 2.45 p.m.
