### Heal With Heat!

Pain and soreness is a sign of congestion. The blood is improperly circulating somewhere. Heat relaxes the parts and equalizes the circulation. The prompt application of a HOT WATER BOTTLE will cure many ailments quicker than internal medicine—and it's a natural way of curing. This modern appliance is applied by peddling any home. Costs too little to be without—\$1.00 to \$2.50, with several prices in between. Come to us when you need anything a good drug store ought to have—it's here, and we'll take pleasure in showing you how well we can serve you.
