### Executive of Federation Advice Men Resume Work--The Presidential Election by States--Some Sensational Defeats--Anti Bolsheviks Receive Set-back in Crimea--Negroes Lynched and White Men Shot.

**THE REPUBLICAN SWEEP.** NEW YORK, Nov. 3. The crest of the Republican election wave both Presidential and Congressional continued rising to-night belated returns filtered in. Among the new Democratic casualties were subts of representative Champ, ark, of Missouri, former speaker and present Democratic leader in the house, the election of a Republican congressman from Texas, re-election a Republican Senator from Missouri and the sudden jump of Senator Harding into the lead in Oklahoma, another border State, Tennessee, hung a narrow margin but with the Democratic leading. A Republican Senate majority of about ten as compared with but two at present, and House majority of around a hundred, as against forty odd were other recasts of the overwhelming majorities. With about eight States still in the doubtful list in the Presidential and Senatorial contests, huge majorities assured Senator Harding and Governor Coolidge of at least 346 electoral votes with Governor Cox certain of 127 and all from the "solid South" including Kentucky. The Republicans to-day added Idaho, Maryland and South Dakota to their string of large majorities and of the remaining States the Republicans were reported leading in Oklahoma, Arizona, Missouri, Montana, Nevada, and North Dakota. Democratic margins in New Mexico and Tennessee were reported.

**CHAMP, CLARKE DEFEATED.** ST. LOUIS, Nov. 3. Champ, Clarke, of Bowling Green, Mo., veteran and former speaker of the House of Representatives, to which he has been elected more times than the average voter can remember, to-night surrendered his post of honor to T. W. Huckreid, of Warren, Mo., the young Republican candidate in the Ninth Missouri District.

**OKLAHOMA ELECTS WOMAN REPRESENTATIVE.** OKLAHOMA CITY, Nov. 3. A woman representative in Congress from Oklahoma became a reality to-night when belated returns gave victory to Alice M. Robertson, Republican, over W. H. Havings, Democrat, incumbent in the second district.

**PROHIBITION SAFE.** COLUMBUS, Ohio, Nov. 3. Wayne B. Wheeler, Superintendent and General Counsel of Anti-Saloon League of America, to-night issued a statement in which he asserted that reports on Congressional elections from forty States show that a substantial majority of both House and Senate are against any beer and wine amendments.

tariff. In 1917 by Order in Council wheat and wheat products from the United States were placed on the Canadian free list. Automatically Canadian exports of wheat and wheat products were admitted into the United States free of duty. Rather more than twelve months later Canada took the same step in regard to potatoes, the aim in each case being a secure for Canadian farmers a wider market for their products. But the admission of Canadian wheat free into the United States has aroused wide opposition among the farming communities of American west. With a Republican Administration and a Republican Congress it is considered in well informed circles here, there is a likelihood of Congress nullifying the reciprocal claims of the Underwood tariff in regard to food stuffs and thus closing the way to free wheat, wheat products and potatoes.

**NEGROES BURNED TO DEATH.** ORLANDO, Fla., Nov. 3. Five negroes were burned to death and another hung to a tree as result of a fight which started at the polls at Ocoee, near here, last night after election officials had refused to permit Mose Norman, a negro, to vote on the ground that he had failed to pay his poll tax. Two white men were shot and killed and several others including a former police chief were wounded in the fight which preceded the wholesale lynching. The negroes burned met death in houses in which they had congregated and which were fired. The sixth negro killed was taken from a jail early to-day by the mob.

**DECLARE STRIKE ENDED.** LONDON, Nov. 3. The executive officers of the Miners Federation have decided to declare the coal strike ended and advise the men to resume work. This action was resolved upon at a conference of the executive to-day, although the ballot of miners showed a majority of more than eight thousand against accepting the Government's settlement proposals.

**Inter-Collegiate Football**

St. Bon's Again Champions.

Yesterday afternoon the St. Bon's and Felldians clashed in the second last game for the season. In spite of the very slippery state of the ground play was very good right through the game, and, in fact, the game was probably the best for the season. During the first half the Felldians missed several splendid chances of scoring, and the ball was kept almost right through the half in St. Bon's territory. In the second half, however, the St. Bon's had the better of play and succeeded in scoring three goals, although this does not mean to say that they had a walk over. St. Bon's are to be congratulated on carrying off the Inter-Collegiate championship for the fifth season in succession. Their captain, E. Phelan, should be especially congratulated for his splendid work, considering that he was playing through the season with a sprained ankle. The contesting teams were as follows:

St. Bon's--Goal, J. Manning; backs, S. Ryan, T. Murphy; half backs, G. Murphy, W. Skinner, K. McGrath; forwards, R. Halley, J. Bransfield, E. Phelan, G. Halley, J. O'Reilly. Felldians--Goal, H. Smith; backs, L. Sheppard, R. Withers; half backs, A. Lloyd, A. B. Ferlin, T. J. Quinton; forwards, W. Tifford, G. E. Lemmesurier, J. Constable, W. Lockyer, R. Anderson.

The concluding game of the series between the Methodist College and St. Bon's is scheduled for Saturday afternoon, and it should prove an exciting contest.

**DAVIS-WOOD NUPTIALS.**

A very pretty wedding took place at the home of Mr. and Mrs. Charles Wood, Glace Bay, Wednesday last, when their second youngest daughter, Maudie C. became the bride of Walter Davis. The bride entered the sitting room on the arm of her father, to the strains of Lohengrin's wedding march played by her sister, Mrs. Rod. Andrews. The room was prettily decorated. The ceremony was performed by the bride's uncle, Rev. Jas. Blesdell, of Halifax. They were unattended. The bride, was dressed in a brown tailored suit with hat to match. The bride received beautiful presents among them being a gold piece from her aunt, Mrs. Jas. Blesdell. After the ceremony and congratulations a dainty luncheon was served, after which the happy couple motored to Sydney. Mr. and Mrs. Davis will reside on Currie St., Glace Bay--North Sydney Herald, Oct. 29, 1920.
