It's Flavor that Makes the Meal!

And the sauces that the Libby chefs have adapted for you give flavor to the simplest dishes.

It may be eggs, or macaroni, or a cheap cut of meat—an unusual and delicious sauce will make it something you eat with delight and remember with pleasure—because of its flavor.

LIBBY'S CATCHUP and CHILI SAUCE are made from red, ripe tomatoes, grown in the fertile soil of Kent County, Ontario, picked when they are mellowed by the sunshine of long summer days, then rushed to the nearby Libby kitchen.

Here in sunny rooms the tomatoes are cooked with fragrant spices, onions, sugar and the best vinegar—cooked for hours until all the flavors are blended through and through.

Now the sauce is ready to give an appetizing relish to your steaks and chops, or a new piquancy to the meat gravy you serve with your roasts.

Your grocer has, or can get you, Libby's Catchup or Chili Sauce. Use it with your cold meat teas and note how quickly the second helping is necessary.

The delightful flavor of Libby's Beans is due largely to the wonderful Sauce prepared by the skilled chefs. Have you tried them?

Gambo Notes.

Mr. Ivany, who spent the week-end at Grand Falls, returned by this morning's express.

Miss Florence Reid, Methodist School Teacher, left by Saturday's express to spend her vacation at Lower Island Cove with her parents. It is regrettable the Board has deemed it necessary to close the school this year, therefore she will not be returning again.

Misses Connolly and Harrington, the R. C. Teachers, left by Thursday's express to spend their vacation at their homes. The latter, we learn, will return again in September.

Mr. G. Chant, the C. of E. Teacher, has retired. We deeply regret the loss. He was greatly beloved by all who knew him, and his going out from us will leave a vacancy which cannot easily be filled.

Mr. H. Fowlow, R.N. Co. agent, will be leaving shortly to spend his vacation at Trinity. It is rumoured he will pay a flying visit to St. John's before proceeding to Trinity. Wonder what the idea? A pleasant time to you Kie, old top.

Salmon are reported plentiful at Traver's Brook.

Mr. J. M. Curran has a number of men employed fitting up his mill, and will start operations shortly.—COR. July 3, 1922.

Corps and Club.

Editor Evening Telegram.
Dear Sir,—After reading your item in connection with the C.C.C. and Boat Club in last evening's Telegram to say that I was surprised would be putting it mildly. I, like a good many ex-members and supporters contributed as generously as our pockets would permit to all sweeps, lotteries, etc., inaugurated by the C.C.C. Boat Club, all the while being under the impression that I was helping swell the funds of the Corps, but to discover now that such is not the case is, to say the least, not good enough. When I purchase C.C.C. tickets again I will make sure that the C. C. Corps get the benefit, and not the C.C.C. Boat Club, and I ask all ex-members to do likewise, and if need be let us form a C.C.C. Club for the sole benefit of putting the Catholic Cadet Corps in a better position than it is at present, thanks to the generosity of the C.C.C. Boat Club. The C.C.C. is not going to be made a laughing stock for the benefit of 18 or 20 individuals. It would be interesting to know how much each member of the Boat Club has made (if any) during the time they have been trading under the name of the C.C.C. Boat Club.

Thanking you for space, Mr. Editor,
Yours truly,
G.C.C. Ex-MEMBER.

My! but they're delicious, these fruit "Crushes". Just like drinking freshly pressed juices and "bubbly" water, and that's exactly what Ward's "Crushes" are, anyhow. The pure juices and oils are pressed from perfect ripe fruits, then blended with pure cane sugar, citric acid and aerated water into the most perfect summer drinks in the city.

BEAR IN MIND THE ONLY GENUINE "Crushes" are those in the 6 oz. "Crinkly" bottles, and in plain 6 oz. bottles with "bottled under authority of the Orange Crush Co., Chicago," around the label, and sealed with the BULLDOG stoppers.

Will Close With Concert and Dance

Owing to the rather inclement weather interfering somewhat with the Belvedere Garden Party, it has been decided to hold a short concert and dance to-night in the new hall by way of finishing up the week's activities, and to enable those who have surplus candy and fruit to dispose of same. Despite the short notice, we feel sure large numbers will attend this closing function.
