"Who blesses others in his daily deeds, Shall find the healing that his spirit needs, For every flower in others pathway thrown Confers its fragrant beauty on his own." If this be true, the proprietors of the Canadian Pain Destroyer must be the recipients of blessings innumerable. It is the safest and most sure remedy for sudden colds, rheumatism, burns, sprains, etc., and removes all kinds of pains almost directly it is applied. 25 cents per bottle. Sold by all medicine dealers.

M. Ponchet, in his great work, "The Universe," says that "Anatomicelly and physically speaking, the human mechanism is very rude and coarse compared to the exquisite delicacy revealed in the organism of certain animals. But in us, the intellect, the real sceptre of the universe predominates over the apparent imperfection of matter. Through it man alone approaches the chosen creatures who shine near the throne of the Eternal, and form a bond of union between heaven and earth. A grand and philosophic truth. Were man to conform more to the laws of health and of nature, and be less addicted to the gratification of his passions, it would not be necessary to advertise Fellows' Compound Syrup of Hypophosphites as a restorative for the powers of the brain and nervous system, while the world's progress in enlightenment would indeed be marvellous.

If a man wants a Bottle of Whiskey, let him buy it and take it home like a man, and not sneak home with a bottle of "Bitters," or "Cordial," and pretend that it is medicine. If he wants a tonic that it is medicine.
