Cobourg has its civic holiday on the 6th. FANS AT A BARGAIN.—Day has taken pity on the folks this hot weather. He is going to close out (not himself) but the fans to-night, if he can, cheap.

This course of Commander Reid, of the United States steamer Kansas, in conveying the Virginias out of Aspinwall, meets with general official approbation. They say the fact that the Virginias landed men and arms on the Island of Cuba to subvert her to being molested in a neutral port by a Spanish gunboat.

A lady in Lynn, Mass., last week sold a bag of rags to a peddler. She was perfectly well satisfied with her bargain until she remembered that in order to guard against thieves and robbers she had secreted in the bag two bank books, notes, and so forth, to the value of about \$4000. But considering how careless she had been to be so in luckier than she deserved to be; for with all the energy and astuteness of despair, she sought for that peddler, found him in Salem, and recovered her treasure.

FOR SUMMER TRAVEL.—Hand satchels, pocket books, purses, cases, and a host of other things for the above—at Day's. THE SURF-BOARD SPORT AT HILO, BANDA-WICH ISLANDS.—Hilo is one of the very few places on these islands where you can see a truly royal sport—the surf-board. It requires a rough day and a heavy surf, but with a good day it is one of the finest sights in the world. The surf-board is a tough plank about two feet wide and from six to twenty feet long, usually made of the bread-fruit tree, armed with these, a party of tall, muscular natives swim out to the first line of breakers, and, watching their chance to duck under this, make their way finally, by the help of the under-tow, into the smooth water far off beyond all the surf. Here they bob up and down on the swell like so many ducks, watching the opportunity. What they seek is a very high swell, before which they place themselves, lying or kneeling on the surf-board. The great wave dashes onward, but as its bottom strikes the ground, the crest of the wave, under the influence of the impulse of the roaring wave behind him, yet seeming to have a speed and motion of his own. It is a very surprising sight to see three or four men thus dashed for nearly a mile toward the shore at the speed of an express train, every moment about to be overwhelmed by a roaring breaker, whose white crest was reared high above and just behind them, but always escaping this engulfment, and propelled before it. They look, kneeling or lying on their long surf-boards, more like some curious and swift-swimming fish—like dolphins racing, as it seemed to me—than like men. Once in a while, by some mischance the cause of which I could not understand, the swimmer was overwhelmed; the great comber overtook him; he was hung over and over like a piece of wreck, but instantly dived, and re-appeared beyond the crest of the wave, ready to take advantage of the next. A successful shot launched them quite high and dry on the beach far beyond where we stood to watch. Occasionally a man would stand erect upon his surf-board, blanching himself in the boiling water without apparent difficulty. The surf-board play is one of the ancient sports of Hawaii. I am told that few of the younger generation are capable of it, and that it is thought to require great nerve and coolness even among those admirable swimmers, and to be not without danger.—Harper's Magazine for August.

Coughs and colds, when left to themselves, frequently bring on pulmonary complaints, which lead to that distressing and fatal disease, consumption; but if attended to in time, "Bryan's Pulmonic Wafers" are a certain remedy. They stop the irritating cough, and soothe and strengthen the bronchial tubes, allaying all irritations and inflammations. They are also particularly adapted for the use of singers and public speakers. Sold by all druggists and country dealers. Price 25 cents per box.

CURE YOUR HORSES.—It is to the interest of all who own horses to keep them in a healthy and sound condition; experience has proved that "Harley's Condition Powder" and "Arabian Horse Remedy" is the most efficacious, it has been used by thousands who will cheerfully confirm this statement. For heaves, coughs, colds, and all diseases which affect the wind of horses it has no equal, not only equalled as a condition medicine; it purifies the blood, corrects and improves the appetite, and softens the skin; in fact, so great is the improvement in the condition and appearance of the animal as to have led many to doubt if it could be the same horse. Remember the name, and see that the signature of Harley & Co. is on each package. Newburgh & Lyman, Newcastle, Ont., proprietors of Canada. Sold by all medicine dealers.

THE GREAT REMEDY FOR CONSUMPTION.

which can be cured by a timely resort to this standard preparation, as has been proved by the hundreds of testimonials received by the proprietors. It is acknowledged by many prominent physicians to be the most reliable preparation ever introduced for the relief and cure of all Lung complaints, and is offered to the public, sanctioned by the experience of over forty years.

When resorted to in season it seldom fails to effect a speedy cure in the most severe cases of Coughs, Bronchitis, Croup, Whooping Cough, Influenza, Asthma, Colds, Sore Throat, Pains or Soreness in the Chest and Side, Liver Complaint, Bleeding at the Lungs, &c. Wistar's Balm does not dry up a Cough, and leave the cause behind, as is the case with most preparations, but it loosens and cleanses the lungs, and allays irritation, thus removing the cause of the complaint.
