YACHTING.

RELIANCE ON HER METTLE. New York, June 8. — This week the new cup candidate Reliance will have a chance to show what she can do over the cup course off Sandy Hook, where she will sail three races with the Constitution and Columbia. While the Reliance won four races on the Sound, and was only prevented from winning a fifth through the time limit expiring, little is known of her all-round qualities, except that she is a wonderfully fast boat in light winds and smooth water, and this week's contests should give her a good test under cup conditions. In the Sound series the wind was so light and flukey that on only two days was the wind true enough to compare her speed with the older boats. In the first of these races, on May 26, in a 10 or 12 knot breeze, the best the Reliance could do was to beat the Consti-
