EDWARD BLAKE.

London, Feb. 20.—Hon. Edward Blake's first speech in the House of Commons was a distinct success. He spoke for an hour and a half, impromptu, in reply to Mr. Chamberlain, forcibly dealing with the point raised by the latter, and holding the close attention of a full House. While he considered that the bill amply secured the supremacy of the Imperial Parliament, Mr. Blake said he objected to the suspension of the land question for three years. The

OTTAWA, Feb. 20.—The announcement of Mr. Gordon's death created many expressions of regret among the members. The British Columbia contingent placed a beautiful wreath of Calla lillies and white roses on his desk. The following message was sent to Mrs. Gordon to-night: "The Conservative members of the House of Com-

afternoon, between 2 and 4, burgiars entered the residence of P. Fredericks, Columbia street, and stole \$600 worth of jewelry and other valuables. They effected an entsance through the window of the front porch, which had accidentally been left open. The residence is in a populated district. The job was evidently the work of first-class crooks. Five diamonds, a watch, four medals and an overcost were among the stolen property. The police suppressed the matter, but the Press-Times to-day brought the facts to light.
