THE VICTORIA SEMI-WEEKLY COLONIST THURSDAY MARCH 11 1897

PROVINCIAL LEGISLATURE.

Third Session of the Seventh Parlia EIGHTEENTH DAY.

2

MONDAY, March 8, 1897.

MONDAY, March 8, 1897. The Speaker took the chair at 20'clock. Prayers by Rev. J. H. Sweet. Mr. Booth presented the sixteenth re-port of the private bills committee as follows: That with respect to petition No. 49, your committee is of the opinion that the standing orders should be sus-pended so as to allow the bill for the in-corporation of the Nanaimo-Alberni Railway Co. to be introduced, and beg to recommend the same accordingly. Your committee also beg to report that they find the preamble of the under intituled bills proved, vis.: An act to incorporate the Revelstoke Trout Lake & Big Bend Tele-phone Co., Ltd., and submit the same with amendments. The report was received. The report w with amendments. The report was received. Mr. Booth moved that th

The report was received. Mr. Booth moved that the fourteenth report of the committee on private bills be adopted, and the time limited for the reception of reports on private bills be extended to March 22. The report was adopted. Immediately after this the Premier The rend and the time the time Premier The report was adopted. Immediately after this the Premier The report was adopted. rose and said: Mr. Speaker, as your are aware since the house adjourned last week this pro-vince has sustained the loss of a valued sitizen in the death of the lute Honor eitizen in the death of the late Honor-able A. N. Richards, and I am sure that I shall voice the feeling of the house by a motion to adjourn, and in expressing sympathy with the surviving members of his family. The late Mr. Richards played no unimportant part in the history of this province and of Canada. He was, I

this province and of Canada. He was, believe, the last surviving member of the old Executive Council of Canada and was also, I understand, Solicitor-Ganeral was also, I understand, Solicitor-Ganeral . Hon. Col. Baker replied : 1. "Yes." 2. "F G Richards and others in 1 this province and of Canada. He was, I believe, the last surviving member of the old Executive Council of Canada and splications (if any) were refused?. • Hon Col. Baker replied: • Hor Col. Baker replied: • Hon Col. Baker replied: • Hor Col. Baker replied: • Hon Col. Baker replied: • Hor Col. Baker repl were the best interests of the province. I am sure that the Lilloot, Fraser River and Cariboo Gold son and F. W. Boultbee. province. I am sure that the Lillooet, Fraser River and Carlood Gold general feeling of the people is that they have lost an honest and up-right citizen and one who did what he thought was in the interests of the prov-Japanese on the works of the company.

ince, never swerving from the path of duty nor from the course that he thought was right. Mr. Semlin—"I am sure that this

side of the house joins with the Premier in his expression of regret, and I beg to second his motion to adjourn The house then adjourned.

NINETEENTH DAY.

TUESDAY, March 9. Mr. Speaker took the chair at 20'clock Prayers by Rev. J. H. S. Sweet. Mr. Hume presented a petition from A. St. G. Hammersley and others, and

A. St. G. Hammersley and others, and asking for leave to present a private bill to incorporate the Bedlington & Nelson railway. The private bills committee had already reported that the bill had not complied with the standing orders as to the time for publication, but the proper length of time having since elapsed the company sought to have their bill reinstated.

The request was granted, Mr. Speaker ment was out of order, because such an the odds eventually pro-atimating that the payment of double amendment could not be brought up on 61/2 in favor of Corbett.

intimating that the payment of double fees would be necessary to reinstate the bill. Mr. Cotton presented a petition from free miners in Kootenay district asking that the legislature would not grant any Mr. Cotton presented a petition from free miners in Kootenay district asking that the legislature would not grant any charters to divert water from the streames of that district without due care being taken to preserve water for the use of the public.
