Gossip From Chicago.

Cincinnati Price Current says: "Growing wheat crop returns are more encouraging; plant generally in healthy condition east of Kansas; thought there is deficiency in exterior growth. Corn situation about as heretofore; fair progress towards marketable condition."

J. J. Dixon & Co's. correspondents: Corn and oats were in good cash demand and such lots as could be moved commanded a premium from shippers. Near futures were active and closed strong. Provisions opened easy but advanced steadily all day.

Kennett, Hopkins & Co. to R. Cochran: Cables contained no indications of strength but were not as weak as expected. Room traders who had gone home short of the market thought it best to cover in anticipation of a bullish Government report in the afternoon. There was also some buying on the account clearances and the moderately bullish sentiment that created, resulted in an advance to 99¼c for May. Around this point market halted, but colored bakers, who had been taking the price dropped to 98¾c, rallied to ⅜c and closed offered at that price.

Corn and oats—The practical suspension shipments owing to a scarcity of cars may prove a serious matter and interrupt traffic for a long time. The eastern roads have their freight cars.

Gaff From Gotham.

Henry Allen & Co. to John J. Dixon & Co.: Stocks were strong to-day. There was something of an easing off toward the close, but nevertheless most of the stocks scored some advance. Vanderbilts still lead. Piespont Morgan comes home from Europe a big bull on most of the Americans listed abroad. There is a report current of a compromise in R.T., which makes Sam Thomas the company's next president. A new railroad scheme to cut into Northern Pacific business is being subscribed for in the street. Henry Villard may retire from Northern Pacific, as well as Edison General Company. A man very close to Jay Gould sold Mo. Pacific at the close today. Most of the little fellows in the street are loaded with stocks. Nearly everybody is bullish.

Receipts and Shipments.

Receipts wheat in Detroit 11,000 bushels, shipments nil.

Receipts wheat in Duluth 97,000 bushels, shipments 4000.

In Toledo receipts were: 14,000 bushels wheat, 22,000 bushels corn; shipments: 2000 bushels wheat and 80,000 corn.
