Dr. Beattie Deplores Step In Interest of Church Union. Presbyterians Not In Favor.

A vote favorable to admitting women to Methodist church pulpits might result in a permanent rupture of pending negotiations towards union of evangelical churches. Such a vote, in the m of a nation-wide referendum, will taken by Methodist churches of less than two months until Christmas Canada on Monday, November 3. Rev. William Beattle, D.D., C.M.G., children. How like to candles these minister of the First Presbyterian children of ours are. Some sturdy of Church, to-day voiced the opinion of frame and ruddy of color, others fair that communion on the proposed admission of women to Methodist pulnot long on our tree of life. They go pits, which, if church union goes about the streets, these little lights of through, would mean that women would God, and some of them pitifully ragged.

eligible for calls to former Presby-ian congregations.

God, and some of the control of the con He pointed out that such a step at hearts not quenched by the cold blasts this time on the part of the Methodist of disillusion. There be so many of us church might seriously prejudice the that say we love children, but methinks negotiations towards a united we lie to our hearts. We have tears for church, but at the same time pointed fair-haired darlings dying in movet that Presbyterianism is ready to able pictures, or smiles for "Kids" that throw in its lot with the united church. ape poverty pretty noble, but meanwhile ng out of the announcement that we be subconsciously comforted in the Methodist church may soon admit knowing they make over £10,000 a year en to their pulpits, I confess to a Let us be done with this hypocricy and

of astonishment at this proaction, which may not meet th great favor from churches preparto endorse the united church. I do believe that such action would meet with favor from the Presbyterian end of the proposed union that finds it to be enthusiastic over the oposal, but is nevertheless detered to throw in their lot with the

minent local Methodist clergymen, however, are of the opinion that the gives many instances of men having ng referendum on admitting women nearly their whole brain destroyed yet to their pulpits will result in an unfavthle vote. The final settling of the estion would come, it is believed, only when evangelical churches have plays pretty content. Science acquires become united.

THEOLOGICAL

ALDERMEN OBJECT TO **ENGINEERS TO FORM** ATTENDANCE RECORD **ASSOCIATION HERE**

City Clerk's Statistics on Number Meetings Attended by Them Not Popular.

London's city fathers, like other fathers built along McManus' "Jiggs" line, refuse to have their incomings

men hold to be one of the most efficient municipal secretaries in Ontario, believes in records. The city handbook, now being used as a textbook in universities, is one of his ideas. But night in the Chamber of Commerce universities, is one of his ideas. But Mr. Baker was not content to rest there. He began to check up aldermanic attendance at civic committee meetings. Just as in the old school days, aldermen's attendance records were carefully made out and published. The aldermen at first blandly approved. But this information began to leak out to constituents, who would buttonhole their ward representatives, asking: "How come you were not at

signed a writ in the county court and well and Frank Shannon for amount of two promissory notes interest, which the plaintiff claims made in his favor by the defendant which are alleged to be now due.

Accordingly Mr. Baker's attendance records were squelched. Tactfully so, but the city clerk was given a pretty broad hint that the aldermen believed in records along with the best, but when it came to personal records, well, that was another story.

IN POLICE COURT COMEDY Loses His Booze and Is Reported C. OF C. TO ELECT SEVEN

IN CONTRASTING ROLES

MORRIS GOOTSON STARS

For Allowing His Horse To Park On a Neighbor's Lawn All On the Same Day.

Morris Gootson appeared with signal got away with this he was again called ricultural College and the program

Morris, being a thrifty soul, had a considerable quantity of liquor gold stored in his cellar against the time when the country would be even drier than it is now. Lahon Lazwoki, once a resident of the steppes of Russia, had a thirst, but not the means wherewith to quench it, but he knew that in the cellar of Morris reposed sufficient joy now been placed in the competition with juice to start a revolution. Consequently, he proceeded to put himself in close communication with the base of supply and numerous other items included in To obtain entrance to the cellar it was necessary for Lahon to remove a sheet of tin which stood guard over an othervise open window, and this rendered him liable to a charge of breaking and

Questioned by the crown attorney, through an interpreter, he admitted having gone to Gootson's in the morn-ing while Morris and his family were not at home. He entered through the cellar window and made his exit in the same manner, only when he departed he bore with him a jug into which he had poured the contents of six of Morbottles. Three other bottles were also alleged to have disappeared, but they went into Lahon.

So successful was his foray and so potent the plunder that before the shadow of evening fell he was prepared to return to Russia and head a movement to restore monarchial government Republican police officers soon put the quietus to that idea and Morris identi-Consider Contract Or Plus Cost fied the jug and remaining contents as having once formed part of his stock The prisoner was remanded until Tuesday for sentence after Mr. Gootson had asked the court to be lenient as Lazwoki was more foolish than criminal and did not think about whisky stealing except when he had already laid the foundation of a cargo and desired to continue load-

A WANDERING EQUINE.

Just as Morris was about to depart Hon. D. Carmichael, head of the Proincial Soldiers' Aid Commission, and soberer philosophy restores my belief in myself when I think that this is the coming municipal election, with ail the only universe librate by the control of the first perceive them. Only a University grant will be the only money by-law to be placed before citizens at the coming municipal election, with ail to him had forsaken the only universe librate by the control of the first perceive them. Only a University grant will be the only money by-law to be placed before citizens at the coming municipal election, with ail gation's requests were seriously considered and Mr. Carmichael promised to make an official ruling on the matter within the next few days.

The delegation consisted of Lieut.

Mean Thief Visits Yard of William Hunt, 738 Princess Avenue. William Hunt, 738 Princess avenue. shy to-day a perfectly good suit of woolen underwear and a gray wool sweater coat. The chilling breezes of yesterday spelled "heavy undies" to yesterday spelled "heavy undies" to Mr. Hunt's household and as a preliminary to donning the ticklish ones it was decided that they should first be aired after their summer season with the moth balls. Accordingly they were spread temptingly on the clothesline in

But some person or persons unknown cassed that way in the hours of darkness and, seeing the warm winter gar-ments, appropriated them. This morn-ing all was left on the clothesline was "an aching void," where the winter the winter undies and sweater coat had once been. The case has been reported to the police and all persons wearing new woolen underwear are liable to t

OPPOSE RESTRICTION ON COP'S OFF-TIME

The new regulations issued for th

uidance of the Toronto police force do not arouse any great enthusiasm in the hearts of the London police officials. On the contrary one official declares that the Toronto rule which provides that if an officer, even when tion picture house or race track, or other place of amusement he must ob-tain a permit is little short of tyranny. "A nice way that to treat grown men, faithful officials," was the comment of one of the higher officials of the department this morning. "To me there is no warrant for any such rule and Engineers of London and immediate vicinity will to-night form a local branch of the Canadian Engineering Institute. A week ago it was hoped that 25 members would be enrolled, to-day the conthere is no possibility of London fol-lowing anything like that. Here we try to remember that a police officer is much the same as any other man

> especially as long as he does his duty which provides that if a police officer desires to spend his day off outside of the city he must obtain a permit to do so from the chief, but Chief Birrell explained that this was necessary in order that he might know where the officer was in case he was wanted during his leisure time. There is no disposition, however, to limit the liberty of a police officer in his hours in so far as attendance at a theater or

motion picture house is concerned. MAKE READY FOR STRIKE .-Thirty-five priests from Western Ontario parishes are attending the theological conference being held in St. Peter's Seminary to-day. Some of the most important questions to be reviewed at the meeting will be "Dogmatic Theology," "Moral Theology" and "Extreme Unction," and the question of academies for the Catholic high school pupils of the city.

MAKE READY FOR STRIKE.—

More than 100 cars of newsprint have passed through London on the Canadian Pacific Railway during the past two days en route to points in the United States. It is believed that the American dailies are securing a quantity of white paper so they will have it on hand in the event that a railway strike takes place next week.
