The Thead Quarters.

legal acquirements, sound judgement, and unsumed integrity; and it is not less gratifying in the present instance:—and we feel proud that Her Majest has been pleased to confer this favor upon a jesty has been pleased to confer this favor upon a Gentleman born and brought up in this Province, and who for so many years has discharged with insulations of the house of Sava Cohurg while him name, but of the house of Sava Cohurg while him name, but of the house of Sava Cohurg while him the sold low for Cash or pondent at Havana says that there

"The story is, that Isaballa the Second of Spain the tendency of fostering, in every Colonist, and the girlish queen whose eccentricities have been attachment to the Parent State, and of producing in frequently noticed in the papers, is to marry a prince every mind, a desire to be not only in name, but geous to the country, various and highly important
Offices of trust under the Government; thereby affording the most gratifying assurance of the faithful administration of Justice in the important situa-

to subscribe ourselves. Your Honor's most Obt. Servants,

W. Scovil, W. B. Kinnear, Recorder, Charles Simonds James Peters, Noah Disbrow, Hugh Johnston, Charles Ward, B. L. Peters, L. H. Deveber William Leavitt, John Wishart, Jacob Allan. James Moran, James Gallagher, Walker Tisdale. Robert Payne, W. H. Street. John Kerr.

MR. RECORDER AND GENTLEMEN, I sincerely thank you for this gratifying and this Province, springing as I am sure it does, from Speech :the kindly personal feelings I have always expe- Mr. President and Honorable Gentlemen of the

I can assure you it is a matter of deep satisfaction to me to find that my public conduct, in the different Offices I have heretofore filled, has been different Offices I have here to be a have here of the house of the heretofore filled, have h so highly approved of and appreciated by so respectable and influential a Body as those Magistrates of the City and County of Saint John, who have so kindly presented me with this flattering

expression of their feelings. express of the advantages this Province has heream now, associated, together with the highly respected and esteemed individual whose advanced seen difficulty. and unusual long period of service have induced him . voluntarily to retire, at a great personal sacrifice to himself,-and it shall be my first object in future, to exert all the best energies of my mind to prevent the public sustaining any serious loss, by my have been less productive than for several years accession to the bench in lieu of him,-trusting as I do, to receive from you and all other Magistrates, in the Province such aid and assistance as your of-

In conclusion, allow me also to return you my expences of the current best thanks for the good wishes you have express- you with the least possible delay. ed for my continued health and happiness, and the hope that we may meet here as often as my Judicial ple of Nova Scotia for their suffering fellow subhope that we may meet here as often as my Junicial jects in Canada, I did not hesitate, on the occasion duties may call me to this place, with the same of the late extensive fires at Quebec, to approprimutual good feeling now expressed.

I am, Gentlemen, your most obedient servant, GEO. FRED. STREET. To HIS HONOR MR. JUSTICE STREET.

May it please your Honor—
We, the Grand Jury for the City and County of and concurrence. Saint John, congratulate your Honon upon your Mr. President and Honorable Gentleman

While we deeply regret that bodily infirmity venerable predecessors, Mr. Juctice Bodsford, (for whom we all entertain the highest respect, and whose long and faithful public services we trust will not be allowed to remain unrequited) we are should have caused the resignation of your Honor's much gratified that our gracious Sovereign should for the succour of those amongst the population have selected, in the person of your Honor, to fill of Bridgetown who were reduced to distress and the vacancy thus created, a gentleman from the destitution by the conflagration which took place Bar of New-Brunswick, whose professional talents there in February last; and a copy of a joint reso and attainments, honourable feelings, and inde- lution, passed by the Council and Assembly of that pendent conduct,-long known and highly es- Island, which I am sure you will be proud to place teemed in this community,—give us an earnest on your Journals,
that your judicial career will be alike creditable

The Queen has been graciously pleased to into your Honor and to the Bench of this Province, struct me to signify to the Provincial Parliament and will tend more and more to strengthen our at-

life so to dispense justice tempered with mercy as with it life everlasting, is our sincere wish, (On behalf of the Jurors.)

EDWARD L. JARVIS, Foreman. St. John, N. B., 15th January, 1846, To the above address, the Judge returned a verbal reply, full of feeling.

lonial Empire of Great Britain, before the Mecha-turn out to be practicable under present circumlonial Empire of Great Britain, before the Mechanics' Institute, in Saint John, have been well be ceived by the good people of that city. We were a little surprised that one of our cotemporaries, the Chronicle, should have travelled out of his way to have a fling at the Lecturer; but Mr. W., can afford to let the Chronicle snarl a little, when he has such honorable testimony of the character of his honorable testimony of the character of his such honorable testimony of the

such honorable testimony of the character of his labors as the following:—

MECHANICS' INSTITUTE.—William Watts, Esq. of Fredericton, delivered three lectures, this week, and the extent to which, pecuniary and should be afforded to promote the undertaking, should you deem it expedient to apply to that purpose any part of the public income. The information thus collected shall be imparted to you at the first convenient opportunity.

I have been unable to carry into effect the intentions of the East Indies, and especially the Four Presidencies of Calcutta, Madras, Bombay, and Agra: in his third and concluding one, he directed the attention of his audience to the British West Indies, and especially to the Islands of Jaman West Indies Indie West Indies, and especially to the Islands of Jamaica, Trinidad and St. Lucia, British Guiana in South America, and these Northern Colonies. With the manner and matter of these lectures, we which their importance so inperatively demands. Daley, to Miss Elizabeth, chiest de mas Dempsey, of the same place believe, the audience had occasion to be very nuch gratified. The style was easy, elegant and They breathed the spirit of British constitu-

lonial Empire." They have been listened to with well attended, great attention by large and fashionable audiences,

a matter of gratifying consideration, to know that with the character of a sound British subject. It | Rumours are affoat that Great Britain, France, | DRY GOODS, HARDWARE, &c. the Administration of Justice has been conducted by behoves us, and it behoves all who love justice, to and Spain have been plotting to erect Mexico into, the Administration of Justice has been conducted by Gentlemen who were eminently qualified by great legal acquirements, sound judgement, and unsulfied integrity; and it is not less gratifying in the pretintegrity; and it is not less gratifying in the pretintegrity; and all his rearsoning had the story is that Isabella the Second of Spain
