HERE will be twelve cash prizes in each of the nine provinces (108 in all) in the 1912 Prize Contest for Canadian Farmers. The 1911 Contest was so successful in awakening interest in the use of Concrete on the farm, that a CROWE, ELLIOTT & CO. second contest, in which three times as many prizes are

offered, was decided upon for this year. The Contest this year is divided into three classes, "A," "B" and "C," and there will be four prizes in each class. (First "B" and "C," and there will be four prizes in each class. (First prize, \$50; Second prize, \$25; Third prize, \$15; Fourth prize, \$10.) Thus there are three \$50 Prizes, three \$25 Prizes, three \$15 prizes, and three \$10 Prizes, for each province.

DESCRIPTION OF CLASSES

In Each Class there will be First, Second, Third and Fourth Prizes (\$50, \$25, \$13, and \$10) for Each Province. CLASS "A" - Prizes to be awarded to the four farmers in each province who use most Canada" Cement on their farms in the year 1912.
CLASS "B" - Prizes to be awarded to the four farmers in each province who send photo- graphs of the best concrete work done with "Canada" Cement on their farms in 1912.
CLASS "Citered to the four the low for the province who send photo- graphs of the best concrete work done with "Canada" Cement on their farms in 1912.
