

ing Comparative Philology), History, Logic and Metaphysics, History of Philosophy, Italian and Spanish, Political Economy and Civil Polity, Jurisprudence, Constitutional Law, Engineering, and such other sciences, arts and branches of knowledge as the Senate of the Provincial University may from time to time determine, except such subjects as are prohibited from being taught by Revised Statutes of Ontario, cap. 209, sec. 9.

9. The professors in such university faculty shall be a corporation presided over by a chairman. The same person shall be President of University College, and chairman of the faculty of the University Professoriate. University College and the faculty of University Professoriate shall be complementary the one to the other, and afford to all university students the requisite facilities for obtaining adequate instruction in all subjects prescribed in the curriculum of the Provincial University. If in the interests of the general objects of the confederation, it shall at any future time be found advantageous to have any subject transferred from University College to the university, or from the university to University College, it shall be competent to the general bodies of the college and the university to arrange for such transfer.

10. Every graduate's or student's diploma or certificate of standing, issued by the Provincial University, in addition to being signed by the proper university authorities in that behalf, shall indicate the college or colleges in which such student attended lectures, and shall be signed by such professors, teachers, and officers of such college or colleges as its or their governing body or bodies may from time to time determine.

11. With a view to the advantageous working out of this scheme, representatives of the various colleges and the university faculty shall from time to time meet in committee and arrange time-tables for lectures and other college and university work.

12. The Senate of the Provincial University may, of its own motion, enquire into the conduct, teaching, and efficiency of any professor or teacher in the university faculty, and report to the Lieut.-Governor the result of such enquiry, and may make such recommendations as the Senate may think the circumstances of the case require.

13. All students, except in cases specially provided for by the Senate, shall enroll themselves in one of the colleges and place themselves under its discipline. The authority of the several colleges over their students shall remain intact. The University Professoriate shall have entire responsibility of discipline in regard to students, if any, enrolled in the University alone; in regard to students entered in one or other of the colleges its power of discipline shall be limited to the conduct of students in relation to university work and duties. All other matters of discipline affecting the university standing of students shall be dealt with by the Senate of the Provincial University.

14. The University endowment and all additions thereto shall be applied to the maintenance of the Provincial University, the University Faculty, and University College.

15. There shall be the following staff in University College:—One professor of Greek, one professor of Latin, one professor of French, one professor of German, one professor of English, one professor of Oriental Languages, one professor of Moral Philosophy; one lecturer in Ancient History, one tutor in Greek, one tutor in Latin, one tutor in French, one tutor in German, one tutor in Oriental Languages, one tutor in English; one fellow in Greek, one fellow in Latin, one fellow in French, one fellow in German, one fellow in English. Additional assistance in above subjects to be provided so that no honour class shall exceed 12, or pass class 30.

16. There shall be a University Professoriate adequate to give instruction in each of the following subjects, namely:—Pure Mathematics, Physics, Astronomy, Geology, Mineralogy, Chemistry, Applied Chemistry, Zoology, Botany, Physiology, Ethology, History, Italian and Spanish, Logic and Metaphysics, History of Philosophy, Political Economy and Civil Polity, Constitutional Law, Jurisprudence, Engineering. As regards tutors and fellows, assistance shall be provided to the University Faculty similar to that mentioned above for the College, as may be required.

17. The University Professoriate lectures shall be free of charge to all students matriculated in the University who are members of a Confederating College, but in the case of students (if any) who do not belong to any College, the Senate shall determine the fees which shall be charged for the several courses of lectures in the University. But such laboratory fees as may be fixed from time to time by the Senate shall be paid by all students.

18. The various Colleges which are at present affiliated to any of the universities entering into the Confederation shall have the right to be affiliated to the Provincial University.

19. The curriculum in acts of the Provincial University shall include the subjects of Biblical Greek, Biblical Literature, Christian Ethics, Apologetics, or the evidences of Natural and Revealed Religion and Church History, but provision shall be made by a system of options to prevent such subjects being made compulsory by the University upon any candidate for a degree.

20. No College student shall be allowed to present himself for any University examination subsequent to matriculation without producing a certificate, under the hand and seal of his College, that he has complied with all the requirements of his college affecting his admission to such examination.

21. The University College work shall continue to be carried on as at present, in the College buildings, and the University work shall be carried on in the same buildings, in the School of Practical Science, and in such other buildings as may hereafter be erected on the present University grounds in the city of Toronto.

A building suitable for a University examination hall, Senate rooms, Registrar's and other offices shall be erected on said grounds.

Additions to be made to the School of Science sufficient to afford proper accommodation for students in Mineralogy, Botany, and other subjects, and for the accommodation of the Museum, which should be removed from its present quarters in order to be more serviceable for science students.

22. The following also to be considered:—Completion of the collection of Physical Apparatus, Physiological Laboratory and Apparatus, Astronomical observatory and instruments, and provision for the education of women.
