#### LARGEST CIRCULATION IN THE WORLD.

The publishers of this old established and universally popular Family Journal, would deem it superreogatory to say a word of commendation of its ast or present excellence and usefulness. Its ast or present excenence and userminess. Its ranvalled and increasing circulation, (over 35,000,) the best recommendation. For the future, however, a determination to be right in the van of the American Newspaper Weekly Press, will call for American Newspaper Weekly Press, will call for increased expenditures and renewed attractions for the present year 1842, not the least of which will be an improvement in the quality of the paper, and an addition of popular contributors, embracing, we fully believe, the best list to any similar Journal in the world.

Journal in the world.

The Courier is independent in its character, fearlessly pursuing a straight forward course, and supporting the best interests of the public. IT IS STRICTLY NEUTRAL IN POLITICS AND RELIGION. It will maintain a high tone of morals, and not an article will appear in its pages which should not find a place at every fireside. It has more than double the number of constant readers, to that of any other paper published. stant readers, to that of any other paper published in the country, embracing the best families of our Republic.

Every one should be proud to patronise the Philadelphia Saturday Conrier, as by its unbroken series of original AMERICAN TALES, by such native writers as Mrs. Caroline Lee Hentz, Mrs. St. Leon Loud, "The Lady of Maryland," Professor Ingrahame, T.S. Arthur, Esq., Miss Sedg. wick, Miss Lesslie, and many others, it has justly earned the title of the AMERICAN FAMILY NEWSPAPER.

# FOREIGN LITERATURE AND

Determined to spare no expense in making the SATURDAY COURIER a perfect model of a Universal Family Newspaper, of equal interest to all classes and persons of every nation, we have made arrangements to receive all the Magazines and papers of interest, published in England and on the Continent, the news and gems of which are immediately transferred to its columns thus giving to emigrants as well as others, a correct and connected account of whatever occurs of interest either at home or abroad.
