**ROBBINS' RHEUMATIC REMEDY.**

**Rheumatism Positively Cured.**

It has heretofore always been an impossibility to cure rheumatism by any internal remedy that is not ruinous to the stomach and internal organs, until this wonderful remedy was discovered.

Rheumatism is a disease caused by the accumulation of uronic salts forming in the blood, which cause a stagnation of the blood, and which is the cause of swelling of the body, principally at the joints, and so long as the system is contaminated with such foreign matter, which is usually caused by cold, exposure, and debilitated condition of the blood, one cannot possibly be cured of the dread disease. Hot applications and massage tend to relieve, but the effect is purely local.

We guarantee that Robbins' Rheumatic Remedy will entirely eradicate all foreign matter from the system, and at the same time have a toning effect, and in all cases in which the remedy is consistently taken, and a cure or relief not effected, money will be cheerfully refunded.

The effect of this wonderful cure, if taken according to directions is:

Firstly—No pain will be experienced after thirty-six hours treatment.

Secondly—Rheumatism in the worst possible stages will be unknown after taking six bottles (two are sufficient to cure any case that has been known to us).

Thirdly—After the remedy you will have no more Rheumatism, as it is a sure cure.

What has been the most wonderful effect on the following gentlemen:

Mr. R. Bythell, Messenger G.N.W. Tel. Co., Toronto.

J. McIntyre,  
Dear Sir—Allow me to inform you that I am entirely cured of Rheumatism, from which I suffer. I go much. I was four months in the General Hospital and returned no better from the best physicians in the city. I could not move my hands and arms and could not rise off a chair without help, and decided I could not recover. My fingers were even straight as if frozen, and I had given up all hopes of them ever healing, when I heard of Robbins' Rheumatic Remedy, and got my little girl to get for a bottle, which after I had taken, went straight to work, and here had no pain at all, and am entirely cured, and whenever I hear of any person so afflicted I always go and tell them of my wonderful recovery, and will continue to do so. Believe me, I am your humble servant.

R. BYTHELL.

Messenger G.N.W. Tel. Co., Toronto, Ont.
