Sparkles. FELLOWS in State prison don't sport much, but they lead a fast life. PREFERENTIAL trade properly consists in giving the preference to Burdock Blood Bitters when seeking for a cure for constipation, dyspepsia, headache, biliousness, jaundice, scrofula, poisonous humours, bad blood, rheumatism or kidney complaints. It is the true cure, and has cured cases which had resisted all other treatment. The rights of the kicker consist chiefly of his wrongs. FACTS, statistics, information, things useful to know, the biggest and best budget of knowledge, reliable and up to date, will be found in a new publication, "Facts and Figures," just issued by Messrs. T. Milburn & Co., of Toronto, Ont. Our readers can obtain it by addressing the above firm and enclosing a three-cent stamp.

THE Cincinnati Times-Star tells the following story: "When in the city we do not act half so idiotic as city folks do on a farm. Why, do you know that last summer a student from the Cincinnati University visited my farm, and one day when I started to get some young potatoes, took the basket from my hand and said he'd get them. Half an hour later he came back with an empty basket, saying that he had hunted all over the patch, and could find nothing but blossoms. There was not a single potato on the vines. I thought he would drop dead when I took the hoe and began digging them out of the ground. He said he thought they grew on top of the vines." Hardly less verdant than this student was the editor of a religious newspaper in New York, who took up his abode some time ago in a suburban village. Last spring when the time came for setting out tomato plants, he called at a greenhouse, and enquired if the plants there offered for sale would "bear this year."

FOREWARNED IS FOREARMED. Many of the worst attacks of cholera morbus, cramps, dysentery, colic, etc., come suddenly in the night, and speedy and prompt means must be used against them. Dr. Fowler's Extract of Wild Strawberry is the remedy. Keep it at hand for emergencies. It never fails to cure or relieve.

NOT even the teacher keeps school this weather. THE work of educating the public to a thorough knowledge of the virtues of Burdock Blood Bitters as a cure for all diseases of the stomach, liver, bowels and blood, has been completely successful. The remedy is now known and used in thousands of homes, where it always gives great satisfaction.

THE Rev. Dr. A. T. Pierson tells of an Irish evangelist who had a way of always addressing his hearers as "dear souls," prefixing to the phrase the name of the town in which they lived. But he came to grief when, in addressing an audience in the city of Cork, he began by calling them "dear Cork souls."

GREAT and timely wisdom is shown by keeping Dr. Fowler's Extract of Wild Strawberry on hand. It has no equal for cholera, cholera morbus, diarrhoea, dysentery, colic, cramps and all summer complaints or loosens of the bowels.

SPEAKING of the small piece of ice, it's generally a warm day when it's left. DEAR SIR, I have been afflicted with Chronic Rheumatism for several years, and have used numerous patent medicines without success. But by using six bottles of Burdock Blood Bitters I was entirely cured.—SARAH MARSHALL, King St., Kingston, Ont.

NOTE.—I am acquainted with the above-named lady, and can certify to the correctness of this statement.—HENRY WADE, druggist, Kingston, Ont. PERILS of the hunt on Long Island.—"It was very annoying," said the fox-hunter. "The dogs, as we got well along, caught scent of Hunteh's Point; and, weally, our whole party, before we knew it, had wun down a beastly soap factory. I had Lord Fitz-boodle, of England, with us, and it was terwibly mortifying."
