Number 13.

## To our Present Subscribers

THE success of the EDUCATIONAL WEEKLY is now assured. Its rapidly increasing subscription list, every part of the province being now represented, and the uniformly favorable press notices that have been extended to it in all parts of the Dominion, are evidences of this.

But the publishers are not yet satisfied. They wish to put the WEEKLY in the hands of every teacher and trustee in Ontario, and they now appeal to present subscribers to help them in their effort to do this. To compensate all who may join in this good work, the publishers make the following exceedingly

### LIBERAL OFFER:

To every subscriber who secures an additional subscriber at the regular single subscription rate of Two Dollars, the publishers will send POSTPAID one copy each of

### Ayres' Orthoëpist

AND

### Ayres' Verbalist,

Canadian Standard Editions, adapted by T. C. L. Armstrong, M.A., LL.B., published by the Canada Publishing Co., and authorized by the Minister of Education.

The books contain 230 and 250 pp. respectively, and are handsomely bound in red cloth.

These books are recommended by the Minister of Education for preparation for all the Departmental Examinations. Their price is 50 cents each. Remember that for one subscription you obtain BOTH these books. Try to get your fellow teachers and your trustees to take the EDUCATIONAL WEEKLY. Many trustees are already subscribers, and many more will become so when the merits of the WEEKLY are brought before them.

The same books will be given to every subscriber who sends in a club of FIVE new subscribers at \$1.60 each.

Send in your subscriptions early, as this offer will be open only for a short time.

ADDRESS,

EDUCATIONAL WEEKLY,

Grip Printing and Publishing Co.,

TORONTO.

**PUBLISHERS' NOTE.**—The Americanisms in pronunciation throughout the edition of ORTHOËPIS<sup>T</sup> used last year were objected to by Canadian educationists, and have all been eliminated in the present edition, and every word in the book made to conform to the latest STANDARD ENGLISH AUTHORITIES, viz: THE IMPERIAL DICTIONARY and STORMONT. A chapter has been added on Etymology that gives the essentials for Teachers' Examinations, and saves the price of an extra book on this subject, and a chapter added to VERBALIST saves the price of an extra work on English Literature.
