- Letters to an Agent**, from Ye PATRIARCH. A familiar book of instructions for Fire Insurance Agents, in which divers topics are treated in a manner quite unlike that adopted by the more formal writers. It is filled with instructive text, valuable tables and profuse illustrations; treating of house building from the laying of the sill to the last touch of the paint brush, and is eminently practical and useful, not only in settling losses after a fire, but in enabling agents to judge of the value of a building when making the insurance.
