Messrs. Connor & Anderson, City,

DEAR SIRS,—Replying to your esteemed inquiry as to how we like the two Deep Throat presses which you made specially for our Range Department. We are pleased to say that they have given us entire satisfaction in every respect. We have found the workmanship to be A 1, and both machines have fully come up to, if not exceeded, what you represented they would do. We can most heartily recommend your workmanship for anything of this kind. Yours truly,
