

## A Portable Store

A Dennison Counter Display of Dennison's Glue, Paste and Mucilage in Dennison's Patent Pin Tubes, is a store in itself—it does a business of its own and a profitable one.

# DENNISON'S

## Adhesives in Patent Pin Tubes

capture every one at a glance. They represent the only practical method devised for using and keeping an adhesive. Pull out the pin, press the tube and get as little or as much as you want—spread it where you want it, thick or thin, with the metal spreader. Put in the pin and the contents will keep a hundred years.

This counter case is beautifully made of mission oak with detachable easel. Contains a full assortment of Glue, Paste and Mucilage in tubes of different size.

Have one on every counter.
