GRAY'S SPECIFIC MEDICINE.

TRADE MARK. The great Eng. TRADE MARK.

The great Eng. TRADE MARK. Fish Remedy will promptly and radically cure any and every case of Nervous Debility and Weakness, results of indigestion, excess or over-work of the brain and nervous system; is perfectly harmless, acts like magic, and has been extensively used for over thirty years with great success. Full particulars in our pamphlet, which we desire to send free by mail to every one. The specific medicine is sold by all druggists at 25c per package, or six packages for \$1, we will be sent free by mail on receipt of the money by enclosing your name and address to GRAY'S SPECIFIC MEDICINE CO., Toronto. Sold by all druggists everywhere.

DR. WARNER'S HEALTH CORSET.

Patented Sept. 23, 1875, Patented Jan. 11, 1876. Re-issued July 3, 1877. Patented Jan. 9, 1877. Re-issued Aug. 6, 1878. Patented July 17 and Nov. 27, 1877. Patented Feb 10, and June 4, 1878. Patented also in Great Britain and France. Patented in Canada June 7, 1879.

With Improved Tampico Busts. Awarded the Highest Medal over all American competitors at the Paris Exhibition of 1878.

Unequaled for beauty, style and comfort.

Approved by all physicians.

This favorite Corset is now made with the celebrated TAMPIO BUSTS, which are as soft as velvet, and yet so elastic that they will retain their shape perfectly until the corset is worn out.

The "Health Corset" is boned with Coralline, a new substance which is much superior to horn or whalebone. It cannot break, and is elastic, pliable and comfortable.

The "Health Corset" is not designed for invalids on, but is equally adapted to all women, even the most fastidious in dress.

MANUFACTURED BY THE

CROMPTON CORSET CO., TORONTO.

Ontario Electrotype Foundry.

26-28 Colborne St., Toronto, Ont.

A Long-Felt Want Supplied

It being a universal remark that Electrotyping cannot be done in Canada as well as in the United States or England, on account of insufficient experience in the art of moulding, which is the key-branch of the profession, I take great pleasure in notifying Printers, Publishers, and others, that I have at last overcome the above difficulty, by securing the services of

MR. W. M. SMANT, of Boston, Mass.,

a well-known American Electrotype Moulder of 12 years' experience in the United States. I would also inform you that I have added the latest American Improved Electro Moulding Press, also a Steam Drying Press for Stereotyping purposes, doing away with the slow and laborious process of drying by coal fire, which has been the means of destroying so much valuable type.

The services of a most efficient staff of competent finishers have been secured, which will enable me to carry out orders promptly, and give every satisfaction.

Soliciting your patronage, I remain,

Respectfully yours,

ROBT. SMITH
