THE GLEANER.

MARSHAL MACMAHON has sent the Pope a splendid piece of tapestry on the occasion of his episcopal jubilee.

THE pageant of "Lady Godiva" was revived this year in the ancient city of Coventry with unusual splendour.

GARNETS stood the St. Louis fire better than any other precious stones, while amethysts lost their colour and became like opals, pearls were entirely ruined, diamonds crumbled to dust, and emeralds became as soft and brittle as chalk.

GENERAL TERNERAIFF is of French origin by his mother's side. His mother's name was Desover.

AN amusing anecdote is told of the present fashion of preferring beauty of design in our houses to comfort. A country gentleman wished to rebuild his residence, and he thought himself very lucky in securing as his architect a young man who had just received the prize medal at Rome.
