A shave or two with his  
new GILLETTE Safety  
Razor, and a man wonders why he worried along without one for so long.

**Maximum Comfort**—the GILLETTE, used with the Angle Stroke, slips lightly through the stiffest beard with never a pull, never a gash. Leaves the face smooth, cool and refreshed.

**Minimum Trouble**—no honing, no stropping, no painful manoeuvring round the awkward corners of your face. You simply pick up the GILLETTE and SHAVE, whether its the thousandth time you have used it or the first.

Christmas is near. What could your husband, your brother, or your friend appreciate more fully or more frequently than a GILLETTE Set? Your druggist, your jeweler, your hardware dealer or your haberdasher can supply you.
