DE LA SALLE INSTITUTE Nos. 18, 20 & 22 Duke Street.

TORONTO, OMT. DIRECTED BY THE CHRISTIAN BROTHERS This thoroughly Commercial Establishment is un

der the distinguished patronage of His Grace, the Archbishop, and the Rev. Clergy of the City.

Having long felt the necessity of a Boarding School in the city, the Christian Brothers have been untiring in their efforts to procure a favorable site. whereon to build; they have now the satisfaction to inform their patrons and the public that such a place has been selected, combining advantages rarely

met with. The Institution, hitherto known as the "Bank of Upper Canada," has been purchased with this view and is fitted up in a style which cannot fail to render it a favorite resert to students. The spacient building of the Bank—now adapted to educational purposes—the ample and well-devised play grounds and the ever-refreshing breezes from great Ontario all concur in making "De La Salle Institute" what ever its directors could claim for it, or any of its patrons desire.

The Class-rooms, study-halls, dormitory and refectory, are on a scale equal to any in the country. With greater facilities than heretofore, the Ohrist ian Brothers will now be better able to promote the physical, moral and intellectual development of the students committed to their care.

The system of government is mild and beternal yet firm in enforcing the observance of established No student will be retained whose manners and

all their pretended science; and what doth it avail. their long and tedious course of study—if they are obliged to acknowledge that all their resources are to no account when called upon to prescribe for a patient suffering from chronic rheumatism. The great trouble lies in the fact that the mode of investigation is prescribed within certain boundaries and limitations compelling the student to tread in certain well-worn paths, or suffer disgrace and ex-communication from that highly respectable order of mortals known as the Medical Faculty. How often genius has been curbed in its flights of investigation can easily be imagined. And often really grand and beneficial discoveries have been placed under the ban of censure by those self-constituted censors, for no reason whatever, but that they are innovations upon a stereotyped and time honored prescription, It was not so, however, with the proprietor of the

Diamond Rheumatic Cure.

for his high standing in the profession, and the learning and science of an able mind, quickly compelled the canson to succumb, and now physicians generally, all over the world, where this medicine is introduced, admit of its wonderful efficacy, and often prescribe it for their patients. Of course the use of the DIAMOND RHEUMATI; CURE, without the aid of a physician, is a saving in fee to the sufferer, but the really consolention physician should rejoice at this, for the reason of the general benefits arising to mankind from its use.

READ WHAT THE PEOPLE SAY.

MONTREAL, 21st March, 1871. Messrs. Devine & Bolton: Dear Sirs-I with pleasure concede to the Agents wish that I give my endorsation to the immediate

relief I experienced from a few dos s of Dr. Miller's Diamond Rheumatic Cure, having been a sufferer from the effects of Bheumatism, I am now after taking two bottles of this medicine, entirely free from pain. You are at liberty to use this letter, if you deem it advisable to do so.

I am, Sir, yours respectfully, JOHN HELDER ISAACSON, N.P. MONTREAL, 17th March, 1874. Messrs. Davins & Bolton:

Gentlemen-I have suffered much with rhennatsm, so much so that I was obliged to stay at home a certain time. I heard Mr. O'Neill, of the St. Lawrence Hall, speaking of your remedy. I saked him to get me a bottle immediately, which he did with great kindness. To my great surprise that bottle has cured me entirely, and I never felt better in my life. I attribute the use of my limbs to the " Dismond Rheumatic Cure."

JAMES GALLAGHER, 58 Juror Street, Corner of Hermine. A BLESSING TO THE POLICE

MONTREAL, 18th June, 1874. Davins & Bolton: Gentlemen-Having been one of the many martyps of rheumatism that I meet on my every day mounds, I was induced to try the celebrated DIA-MOND RHEUMATIC OURE. I had suffered the last five or six weeks the most terrible soute pains across my loins and back, so severe indeed that I bould hardly walk with the help of a stick. I commenced the Diamond remedy, following the direclly,—relief first bottle; improved rapidly with the second, and completely cured and free from pain after finishing my fifth small bottle. You are at perfect liberty either to refer to me privately or publicly, as I feel

very thankful for the relief, and sympathise with my

fellow-sufferers from Rheumatism. Yours respectfully, J. B. CORDINGE, Sanitary Pelice Officer 51 Labelle Street. FURTHER PROOF.

Tonestro, March 30, 1874.

Dear Sir—After suffering for the past two years with Rheumatism, I can truly say that, after using two bottles of the DIAMOND RHEUMATIC CURE I find myself free from that terrible disease. I have used all kinds of remedies and Doctor's prescriptions without end, but your simple remedy surpasses all. The effect upon me was like magic. I take great pleasure in recommending your medicine to all.

I remain, MARGARET CONROY,

127 Sumach Street.

This medicine is prepared by a careful experienced and conscientious physician in obedience to the desire of numbersess friends in the profession, in the trade and among the people. Every bettle is warranted to contain the full strength of the medicine in its highest state of purity, and development, and is superior to any medicine ever, compounded for this

terrible complaint. In ample cases sometimes one or two doses suf fice. In the most chronic case it is sure to give way by the use of two or three bottles. By this efficient and simple remedy hundreds of dollars are saved to those who can least afford to throw it away, as surely it is by the purchase of useless prescrip
