MONTHLY MEETING.

(Special Report.)

The regular monthly meeting of the Council took place on last Monday afternoon, His Worship Mayor Beaudry presiding. The following Aldermen were also present: Nelson, Donovan, Childs, Grenier, Clendenning, Mercer, Genereux, Hood, Duhamel, Robert, Laurent, Laberge, Greene, Mc-Cambridge, Thibault, Kennedy, Melancon, Wilson, Chausse, Holland, Rivard, McLaren, Stephens,

Gauthier and Taylor. The only Aldermen not present were Messrs. Mullin and McCord, both of whom are absent from

the city. The minutes of the preceding meeting having been read were adopted, after which the report of the Board of Revisers was read, declaring Mr. Claude Melancon duly elected as representative of St. Louis Ward in place of Ald. David who had resigned. On motion of Ald. Grenier, seconded by Ald. McCambridge, the report was adopted, and Mr. Melancon, after subscribing to the necessary oaths of office,

was conducted to his place at the Council Board. Ald. Laurent was appointed to fill the vacancy on the Water Committee cansed by the resignation of Ald. David; and, in consequence of this change Ald. Melancon was appointed to the positions vacated by Ald. Laurent on the Fire and Market

Committees. Several applications were made for permission to keep Lumber and Coal yards in different parts of the city-Referred to the Fire Committee.

A report was presented from the Chairman of the Water Committee (Mr. Donovan) setting forth that the Committee had an extraordinary amount of work on hand which required constant supervision. Understanding thoroughly the grave responsibilities attached to the office of Chairman of that Committee, he had, within a period of one week called three meetings, but in every case was unsuccessful in obtaining a quorum. At the first meeting called for 3 o'clock on 28th Aug. only the Chairman and Ald. Robert attended, while at the second meeting convened for 31st Aug., the Chairman and Ald. Hood alone put in an appearance. The third meeting was alike unproductive of result as unfortunately the necessary number of members did not present themselves. The Chairman was unable to state whether the absence of these gentlemen was voluntary or unavoidable, however he thought the matter was of such importance as to be brought before the Council, in order that the members might take what action they thought proper.

Ald. Donovan, in reference to the report, said he was sorry to be obliged to bring the matter before the public, but he considered it his duty as works of the utmost importance were awaiting the action of the Committee. He could not imagine what reason members had for acting as had the gentlemen composing the Water Committee, and he called upon the members present in Council to give their reasons for having failed to attend the meetings when properly requested to do so. Two most important contracts were to come before the Committee, and letters, &c., concerning the subject were to be considered, and should be attended to without delay. The insulting and disgraceful paragraphs which appeared concerning the speaker in the press, gave an important significance to the circumstance. In the Star of Friday last it was stated that the members of the Water Committee would no longer sit with their Chairman. He (Mr. Donovan) well knew whence these reports emanated, and he despised the author. The intention was to oust him from the chairmanship, but he could assure the Council he had no intention whatever of resigning. He would remain and continue to fill the position to which the Council did him the honor to elect him. He thought he had performed his duties satisfactorily, and would continue to do so while he occupied the position. In conclusion he trusted the gentlemen would give satisfactory explanations as to their conduct as members of the Water Committee.

Ald. Thibault explained that he had been present on the days of the meeting, but left finding there was no quorum.

Ald. Stephens was glad to know that the Chairman of the Water Committee was not going to resign, as while Mr. Donovan occupied that position he would attend well to the business of the Department. He explained that many members were out out of town during the month of August which would account for their non-attendance at the meetings called by Mr. Donovan. He, (Ald. Stephens) as Chairman of the Road Committee had often called meeting and found not quorum, but he persevered and in the end succeded in getting a full meeting together.

The Finance Committee reported concurring in the report of the Fire Committee asking for \$422 to entertain the Hudson N.Y., firemen-Carried. A supplementary grant of \$53,000 was voted to to the credit of the New City Hall Committee to enable them to complete all payments, and make the different departments tenantable as soon as

possible. The sum of \$22,000 was granted to the Committee for the payment of the Colborne Tunnel. Ald. Rivard moved, seconded by Ald. Wilson, that the name of Ald Clendenning be added to the Committee for revising the taxation system, and that five members constitute a quorum.

Several reports of the Road Committee were adopted. A report of the same Committee for a grant of

\$500 to pay for labor in public gardens and squares, was voted down.

The Fire Committee reported asking for an appropriation of \$10,500 distributed as follows, \$5,000 for a new fire station, \$5,000 for a new fire engine. and \$500 for an additional fireman. The report was adopted as to the last two items, the sum of \$500 for a fire station not being entertained. Permission was granted to two butchers to open

private stalls. Ald. Clendenning was elected Acting Mayor for

the ensuing three months. After some discussion the meeting adjourned until next Friday afternoon at 3 o'clock.

There was a pretty fair attendance of the general public who remained throughout the sitting, probably expecting to hear the debate on the question of the payment of the volunteers for services on the 12th and 16th July. The settlement of this important question will certainly be brought up at next meeting.

at the depot. His appearance onthe plat-form of the car elicited shouts of joy from all those present, and everything gave way to an effusion of happiness and congratulation. The Reverend Gentleman, in question was conducted to the Church where a "Te Deum" sung in thanksgiving to God for the preservation of the respected pilgrim, after which, addresses in both languages were read. The following address was read by J. P. Stebenne on behalf of the Irish congregation:—Reverend Sir,—The hearts of your Irish parishioners swell with unwonted emotion, when they behold you once more in their midst, after an absence of five long months. Welcome! Welcome! Thrice Welcome! What words of grati-tude and of thanksgiving to God would suffice to give full expression to our feelings in this happy moment. Now our feelings are too strong, our joy is too great "Sunt dies quos nunquam delebit oblivio," and this day is numbered amongst them. Never shall we forget the day on which our ever esteemed pilgrim returned to his native soil, never shall we obliterate from our memory the consoling hour which announced your safe arrival, on this continent. Rev. Sir, since you have left Chambly its residents have never forgotten you in their prayers offered up each day to the God of mercy. Our thoughts were occupied unremittingly with the welfare of our beloved pastor, and since you bade Adieu to "la Belle France," and sailed for your old home, we prayed more than ever for your preservation, and evidently God has lent a merciful ear to our entreaties. Here we are once more together, to bid you welcome, headed by the revered Father Sauve, who since your departure, always evinced a zealous solicitude for our welfare, in the promotion of which, you will undoubtedly find, his efforts have not proved abortive and fruitless. We unite, then, dear Pastor in rendering thanks to God 1st for blessing the trip which you undertook under His guidance, to depose at the feet of His representative Pius IX, the homage of your allegiance and fidelity to the Holy See .2nd for the non-occurrence in our ranks of any of those disorders which undo true happiness and prosperity. Reverend Sir, owing to the lassitude you must necessarilly feel, we leave you to enjoy repose, wishing you once more a hearty welcome to old Chambly. Father Thibault, seemed deeply affected, and after expressing in a
