ATRICK DOYLE, AGENT FOR BROWNSON'S REVIEW, "THE METROPOLITAN," TORONTO.

WILL furnish Subscribers with these two valuable Periodicals for \$5 per Annum, if paid in advance. P. D. is also Agent for the TRUE WITNESS. Toronto, March 26, 1854.

Will be ready on the 20th of March, (NEW AND REVISED EDITION.) THE LIFE OF ST. ELIZABETH OF HUNGARY, by the Countess Montalembert. The Life, translated by Mary Hackett, and the Introduction, by Mrs. Sadlier. 12 mo., of 427 pages, with a fine steel engraving. Cloth, 5s; third gilt, 7s 6d.

OF the merits of the work, we can safely say, that no biography ever issued from the American Press equals it—in its interest as a romance. The Press have been unanimous in praise of the first edition. We give extracts from a few of them: "The book is one of the most interesting, instructive, and edifying that have been produced in our times, and every Catholic will read it with devout thankfulness to the Almighty God, that he has been pleased to raise up, in this faithless age, a layman who can write so edifying a work. It is marked by rare learning, fine artistic skill, and correct taste; and breathes the firmest faith and the most tender piety. His work is as refreshing as springs of water in a sandy desert. Let every one who can read purchase and read this beautiful Life of one of the most lovely and most favored Saints that have ever been vouchsafed to bellow our earthly pilgrimage."

"The whole introduction shows the hand of a master, and it loses nothing in Mrs. Sadlier's racy and elegant English. It enhances the merit of the work, which, in the Dublin edition, was published without this essential preface. Of the Life itself, we cannot speak too highly. The exquisite character of the dear St. Elizabeth, (as the good Germans have at all times styled her), is brought out with a clearness, a tenderness, and a vigor, which bring tears from the heart. We do not think there is any book of the kind in English, at all to be compared to this 'Life of Saint Elizabeth.'—American Celt. "We might say much in praise of the narrative and Life of St. Elizabeth, attending which, from the beginning to the end, is a charm which cannot fail to attract and secure the attention of the reader, did not the well known abilities of this distinguished author render it unnecessary. We cheerfully recommend the work to our readers."—Pittsburg Catholic. "This magnificent work of the great French Tribune of true liberty, has at last been translated into English. The name of its Author is a sufficient guarantee for the value of the work. Montalembert is one of the lights of the age—a man who combines rare power of intellect, with unswerving devotion to the cause of liberty and the Church. Let every one who desires to study the spirit of the Middle Ages, read this book."—Catholic Telegraph.

THE GREATEST MEDICAL DISCOVERY OF THE AGE.

MR. KENNEDY, of ROXBURY, has discovered in one of the common pasture weeds a Remedy that cures EVERY KIND OF HUMOR.

From the worst Scrofula down to the common Pimple. He has tried it in over eleven hundred cases, and never failed except in two cases (both thunders humor.) He has now in his possession over two hundred certificates of its value, all within twenty miles of Boston.

Two bottles are warranted to cure a nursing sore mouth. One to three bottles will cure the worst kind of pimples on the face. Two to three bottles will clear the system of boils. Two bottles are warranted to cure the worst cancer in the mouth and stomach. Three to five bottles are warranted to cure the worst case of erysipelas. One to two bottles are warranted to cure all humor in the eyes. Two bottles are warranted to cure running of the ears and blotches among the hair. Four to six bottles are warranted to cure corrupt and running ulcers. One bottle will cure scaly eruption of the skin. Two or three bottles are warranted to cure the worst case of ringworm. Two or three bottles are warranted to cure the most desperate case of rheumatism. Three or four bottles are warranted to cure salt rheum. Five to eight bottles will cure the worst case of scrofula.

Directions for Use.—Adult, one table spoonful per day. Children over eight years, a dessert spoonful; children from five to eight years, tea spoonful. As no direction can be applicable to all constitutions, take enough to operate on the bowels twice a day. Mr. Kennedy gives personal attendance in bad cases of Scrofula.

KENNEDY'S SALT RHEUM OINTMENT, TO BE USED IN CONNECTION WITH THE MEDICAL DISCOVERY.

For Inflammation and Humor of the Eyes, this gives immediate relief; you will apply it on a linen rag when going to bed. For Scald Head, you will cut the hair off the affected part, apply the Ointment freely, and you will see the improvement in a few days. For Salt Rheum, rub it well in as often as convenient.

For Sores on an inflamed surface, you will rub it in to your heart's content; it will give you such real comfort that you cannot help wishing well to the inventor.

For Scabs: these commence by a thin, acid fluid oozing through the skin, soon hardening on the surface; in a short time are full of yellow matter; some are on an inflamed surface, some are not; will apply the Ointment freely, but you do not rub it in.

For Sore Legs: this is a common disease, more so than is generally supposed; the skin turns purple, covered with scales, itches intolerably, sometimes forming running sores; by applying the Ointment, the itching and scales will disappear in a few days, but you must keep on with the Ointment until the skin gets its natural color.

This Ointment agrees with every flesh, and gives immediate relief in every skin disease flesh is heir to. Price, 3s 6d per Box. Manufactured by DONALD KENNEDY, 120 Warren Street, Roxbury Mass. For Sale by every Druggist in the United States and British Provinces.

AYER'S CHERRY PECTORAL, FOR THE RAPID CURE OF Colds, Coughs, and Hoarseness.

BUNFIELD, MASS., 20th Dec. 1855. Dr. J. C. AYER: I do not hesitate to say the best remedy I have ever found for Coughs, Hoarseness, Influenza, and the concomitant symptoms of a Cold, is your CHERRY PECTORAL. Its constant use in my practice and my family for the last ten years has shown it to possess superior virtues for the treatment of these complaints. EBEN KNIGHT, M.D.

A. B. MORTLEY, Esq. of Urica, N. Y., writes: "I have used your PECTORAL myself and in my family ever since you invented it, and believe it the best medicine for its purpose ever put out. With a bad cold and lung affection, I received a bottle of yours and without it, or taking any other remedy." Croup, Whooping Cough, Influenza.

BROOKLYN, MASS., Feb. 7, 1856. BROOKLYN, MASS.: I will cheerfully testify to the efficacy of your Cherry Pectoral in the best remedy we possess for the cure of Whooping Cough, Croup, and the chest diseases of children. We of your fraternity in the South appreciate your skill, and commend your medicine to our people. HIRSH, BONELLI, M.D.

AMOS LEE, Esq., MONTREAL, L. writes, 3d Jan., 1856: "I had a tedious Influenza, which confined me to doors six weeks; took many medicines without relief; finally tried your PECTORAL by the advice of our clergyman. The first dose relieved the soreness in my throat and lungs, and in two days a trial of your medicine made me completely well. Your medicine is the cheapest as well as the best we can buy, and we esteem you, Doctor, and your remedies, as the poor man's friend."

Asthma or Phthisis, and Bronchitis. WEST MANCHESTER, Pa., Feb. 4, 1856. Sir: Your CHERRY PECTORAL is performing marvellous cures in this section. It has relieved several from alarming symptoms of consumption, and is now curing a man who has labored under an affection of the lungs for the last forty years. HENRY L. PARKS, M.D.

A. A. RAMSEY, M. D., ALBION, MONROE CO., IOWA, writes, Sept. 6, 1855: "During my practice of many years I have found nothing equal to your CHERRY PECTORAL for giving ease and relief to consumptive patients, or curing such as are curable." We might add volumes of evidence, but the most convincing proof of the virtues of this remedy is found in its effects upon

Consumption. Probably no one remedy has ever been known which cured so many and such dangerous cases as this. Some no human aid can reach; but even to those the CHERRY PECTORAL affords relief and comfort.

Aboln Hope, New York City, March 5, 1856. Doctor AYER, Lowell: It is a duty and a pleasure to inform you what your CHERRY PECTORAL has done for my wife. She has been five months laboring under the dangerous symptoms of Consumption, from which no aid we could procure gave her much relief. She was steadily failing until Dr. Strong, of Concord, N. H., where we have resided, advised us to try a trial of your medicine. We bless his kindness, as we do your skill, for she has recovered from that day. She is not yet as strong as she used to be, but is free from her cough, and calls herself well. Yours, with gratitude, H. O. RANDOLPH, of SERRITELLA.

Consumption, do not despair till you have tried AYER'S CHERRY PECTORAL. It is made by one of the best medical chemists in the world, and its cures all over us bespeak the high merits of the virtues.—Philadelphia Ledger.

Ayer's Cathartic Pills.

THE sciences of Chemistry and Medicine have been used to their utmost to produce this best, most perfect purgative which is known to man. Innumerable proofs are shown that these Pills have virtuous which surpass in excellence the ordinary medicines, and that their use is unexpectably upon the system of all men. They are not only pleasant to take, but powerful to cure. Their penetrating properties stimulate the vital activities of the body, remove the obstructions of its organs, purify the blood, and expel disease. They purge out the foul humors which breed and grow distempers, stimulate sluggish or disordered organs into their natural action, and impart healthy tone and strength to the whole system. Not only do they cure the every day complaints of every body, but also formidable and dangerous diseases that have baffled the best of human skill. While they produce powerful effects, they are, at the same time, in diminished doses, the safest and best physic that can be employed for children. Being sugar-coated, they are pleasant to take; and their purely vegetable nature, free from any risk of irritation. Cures have been made which surpass belief were they not substantiated by men of such exalted position and character as to forbid the suspicion of imposture. Many eminent clergymen and physicians have lent their names to certify to the public the reliability of my medicines, while others have sent up the assurance of their conviction that my Preparations contribute immensely to the relief of my afflicted, suffering fellow-men.

The Agents below name are pleased to furnish gratis of our American Almanac, containing directions for their use, and curious cases of their cures of the following complaints:— Costiveness, Bilious Complaints, Rheumatism, Dropsy, Heartburn, Headache arising from a full Stomach, Nausea, Indigestion, Morbid Irritation of the Bowels and Pains therefrom, Flatulency, Loss of Appetite, all Ulcerous and Cutaneous Diseases which require an evacuant Medicine, Scrofula or King's Evil. They also, by purifying the blood and stimulating the system, cure many complaints which would otherwise be incurable, such as Headaches, Partial Blindness, Neuralgia and Nervous Irritability, Derangements of the Liver and Kidneys, Gout, and other kindred complaints arising from a low state of the body or obstruction of its functions.

Do not be put off by unprincipled dealers with some other pill they make more profit on, and for a time, and take nothing else. No other they can give you compares with this in its intrinsic value or curative powers. The sick want the best and there is for them, and they should have it.

Prepared by Dr. J. C. AYER. Practical and Analytical Chemist, Lowell, Mass. Price, 25 Cts. per Box. First 50,000 sold.
