

advices from Greece on currants have been easier with choice Filiatras quoted at 11s. 6d.; Patras at 14s. to 14s. 6d., and Voztizza at 18s. 6d., c.f.

Hides.—A fair volume of business has been done in this department of trade, and prices have ruled steady. No. 1 beef hides are selling at 9 to 10c. per lb.; No. 2 at 8 to 9c., and No. 3 at 7c to 8c.; lambskins, 50c. each, and calfskins, 12c. for No. 1, and 10c. for No. 2 per pound.

Metals and Hardware.—The general feeling in metals has been steady with a fair volume of business passing in all lines. The heavy movement in pig iron continues, with sales of Canadian at \$18.50 to \$19, and Summerlee at \$21.50 to \$22. The demand for bar iron is brisk at \$1.95 to \$2 for merchants' bar, and at \$2.20 for horseshoe iron. Ingot copper is steadier at 14c. Advices from abroad on tinplates are still easy, but advices on spot show no change, with charcoals quoted at \$4.75 to \$5.25, and cokes at \$4.25. Canada plates continue to move fairly well at \$2.70 to \$2.80 for 52's, and galvanized at \$4.25 to \$4.35. Trade in terne plates is quiet and prices steady at \$7.50. The demand for solder keeps up, and sales have taken place at 18c. for bar and 20c. for wire.

Oils, Paints and Glass.—There has been no important changes in prices in this branch of the trade, but the undertone to the market for all lines is very firm. A feature is the continued good demand for white lead, and manufacturers of the same are finding it difficult in keeping up with it. Oils and turpentine are all firm with a fairly good demand. We quote: Single barrels raw and boiled linseed oil, respectively, 78 and 81c. per gallon, for one to four barrel lots, 5 to 9 barrels, 75 and 80c., net 30 days, or 3 per cent. for four months' terms. Turpentine, one barrel, 70c.; two to four barrels, 69c.; net 30 days.
