The Romance of Statistics

Statistics? "Dry as dust," you may say.
So they are — unless you can grasp and interpret them.

We have a Statistical Department run by men who *do* grasp and who *can* interpret Statistics, on:

*Domestic and Foreign Trade,
Government and Municipal Bonds,
Public Utility and Industrial Corporations,
All kinds of Securities.*

If you want information upon which to base your judgment regarding investments, write to us for it.

This is part of our free service to Investors. Our profit on the transaction is that it creates goodwill for us, and wins friends and clients. If you are not already receiving it, we would like to place your name on our mailing list for *Investment Items*.

Write and ask us to do so.
