stock of Messrs. Randall, Farr & Co., about \$90,-  
000 of goods were disposed of.THE death is announced of Mr. Thomas Peck,  
(of Peck, Benny & Co.), long a prominent manu-  
facturer in the iron line in Montreal.EXPORTS from the port of New York for the  
week ending Dec. 16th were \$5,548,847 against  
\$4,734,886 for the corresponding week of last  
year and \$4,048,894 in 1871.IT NOW appears that the U. S. Senate are  
not likely to second the action of Congress in  
the matter of the bankruptcy law; but will en-  
deavour to perfect a bill which will be accept-  
able to the public.THE railway engineers strike in the United  
States is a rather embarrassing circumstance,  
in view of the large quantities of freight press-  
ing for transport. This attempt to resist the  
inevitable reduction in wages amongst railway  
employees must fail of its object; and it is a  
pity they cannot be made to see the necessity of  
quietly accepting a reasonable reduction without  
the annoyance and loss which only can result  
from their attempt at resistance.
