The Board of Education has given authorization to teachers and pupils of the public schools, to co-operate with the National War Savings Committee in the sale of Thrift Stamps and in such propaganda work as may be outlined by that Committee.

A War Book, showing the importance and need of saving, has been sent out to the teachers and pupils, who are earnestly requested to do their utmost to promote the aims of the Committee.

Teachers are requested to carefully read the introduction. It will there be noted that the war book is a text book and some time must be given to it each school day. Thrift Stamps are not for children only, but for every man and woman in the community who can be induced to buy them.

Teachers and pupils can render great service by making known the contents of the War Book to all.

Teachers may act as treasurers for the money contributed for Stamps, and it is expected, will purchase them for any who may desire them to do so.
