

# Canada Is the United States' Best Trading Partner

## U.S. MERCHANDISE TRADE

1986

Billions of U.S. Dollars

Source: U.S. Department of Commerce

*The volume of trade between the United States and Canada is the greatest in the world. In 1986 it totalled more than \$124.5 billion in goods alone.*

The final figures for 1986 Canada-U.S. merchandise trade are based on reconciled statistics mutually agreed on. Unless otherwise noted, all figures are from U.S. Department of Commerce and are in U.S. dollars. Figures for U.S. imports are calculated on a customs basis.
