(a) the amateur stations exchanging such third party communications are not paid any direct or indirect compensation (hereof); and

(b) such communications shall be limited to conversations or messages of a technical or personal nature for which by reason of their unique nature recourse to the public telecommunications service is not justified. When due to the occurrence of any disaster such public telecommunications services are not available for the prompt transmission of communications directly related to the safeguard of lives and properties, such communications may be transmitted through amateur radio stations of the respective countries.

The Government of Venezuela is prepared to accept the foregoing provisions. I have the honour to suggest that this Note and your reply thereto shall constitute an Agreement between our two Governments which shall have effect from the date of your reply to this Note. The Agreement shall be subject to termination at any time on sixty days notice by either Government.

Accept, Excellency, the renewed assurances of my highest consideration.
