Proposal 9

53. The provisions of the Convention as well as the existing relevant decisions adopted by the Conference of the Parties would apply mutatis mutandis. Parties to the Protocol should submit consolidated reports on the policies and measures adopted as well as on the specific estimate of their effects on the basis of the already existing regime.⁶¹

Proposal 10

54.1 Each Annex A and Annex B Party shall have in place by [the first year of its first budget period] a national system for the accurate measurement of anthropogenic emissions by sources, and removals by sinks, of greenhouse gases.

54.2 For the purposes of implementing paragraph 1 and promoting comparability, consistency and transparency, the Parties shall, not later than their second meeting, decide on minimum standards for the measurement of anthropogenic emissions by sources, and removals by sinks, of greenhouse gases.

54.3 Each Annex A and Annex B Party shall put in place, if it has not already done so, national compliance and enforcement programmes relevant to its implementation of the obligations under this Protocol.

54.4 Each Annex A and Annex B Party shall submit to the secretariat, as part of its communication under Article 12 of the Convention, information on its implementation of this Protocol, including policies and measures it is taking to meet its obligations in Article 2. Such submission shall be in accordance with guidelines which the Parties adopt at their first meeting, taking into account any relevant guidelines adopted by the Parties to the Convention. Such submission shall also contain the following information:

(a) Once the obligation in paragraph 1 above becomes effective, a description of the national measurement system that it has in place;

(b) Once the obligation in paragraph 1 above becomes effective, the results of its national measurement system;

(c) A quantitative projection of its net anthropogenic emissions of greenhouse gases through the budget periods; and

(d) A description of relevant national compliance and enforcement programmes it has in place pursuant to paragraph 3 above, as well as a description of their effectiveness, including actions taken in cases of non-compliance with national law.
