## COPPER EXPORTS

Motion No. 1—**Mr. Saltsman:**

That an Order of the House do issue for copies of all export permits granted for copper exports for the period January 1, 1969, to September 30, 1969.

**Mr. Yves Forest (Parliamentary Secretary to President of the Privy Council):** Mr. Speaker, the Minister of Industry, Trade and Commerce wishes to inform the member that details of applications for export permits have always been treated as confidential and are communicated only to persons legally entitled to such information. In view of this, the minister would ask the member to withdraw his motion.

**Mr. Saltsman:** Mr. Speaker, I should have thought that Members of Parliament were legally entitled to such information.

**Mr. Macdonald (Rosedale):** Transfer for debate.

**Mr. Speaker:** Transferred for debate.

## AUTOMOTIVE INDUSTRY COST STRUCTURE STUDY

Motion No. 171—**Mr. Saltsman:**

That an Order of the House do issue for a copy of the study by economist David F. Smith of the Mechanical Transport Branch, Department of Industry, Trade and Commerce on "The Effects of Canada-United States Wage Parity Upon the Cost Structure of the Canadian Automotive Industries".

**Mr. Yves Forest (Parliamentary Secretary to President of the Privy Council):** Mr. Speaker, the Minister of Industry, Trade and Commerce wishes to inform the hon. member that this study is an internal departmental document which contains privileged information received in confidence from the

industry and therefore cannot be tabled. On this basis, the minister would ask the member to withdraw his motion.

**Mr. Saltsman:** Mr. Speaker, I would ask that this motion be transferred for debate because of the shaky nature of this industry.

**Mr. Speaker:** Transferred for debate.

## PROGRAM TO ENHANCE PRODUCTIVITY

Motion No. 174—**Mr. Saltsman:**

That an Order of the House do issue for a copy of the preliminary cost-benefit study on the new program of the Department of Industry, Trade and Commerce to enhance productivity (PEP) as referred to in reply to Question No. 1,955 as reported in *Hansard* of June 4, 1969.

**Mr. Yves Forest (Parliamentary Secretary to President of the Privy Council):** Mr. Speaker, the Minister of Industry, Trade and Commerce wishes to inform the hon. member that this study will not be tabled. This program is still in the early stages of development and subject to change, and it would not be in the public interest to table a preliminary analysis outlined in an internal working document. The minister hopes the hon. member will withdraw his motion.

**Mr. Saltsman:** I agree to withdraw, Mr. Speaker.

**Mr. Speaker:** Motion dropped.

Order discharged and motion withdrawn.

## DEVELOPMENT OF ANTI-SMOG DEVICES

Motion No. 194—**Mr. Skoberg:**

That an humble Address be presented to His Excellency praying that he will cause to be laid before this House copies of all correspondence, memoranda, etc., provided to the Department of Consumer and Corporate Affairs by the United States Justice Department on anti-combines matters related to auto manufacturers and a conspiracy to delay development of anti-smog devices.

**Hon. Ron Basford (Minister of Consumer and Corporate Affairs):** Mr. Speaker, the material called for by this motion constitutes privileged communication between two governments, the publication of which would impair the usefulness of such exchanges. I ask the hon. member to consent to withdraw the motion.

**Mr. Saltsman:** Mr. Speaker, the minister's explanation is not acceptable. Please transfer this motion for debate.

**Mr. Speaker:** Transferred for debate.
