Hon. Yvon Pinard (President of the Privy Council): Madam Speaker, I had consultations with representatives of the Parties in the House and, in light of the fact there are many motions on the Order Paper, I would like to propose the following: That the recorded division we just had on Motion No. 6 will dispose of Motions numbered 1 and 8, and that this division will also apply to Motion No. 7 which disposes of Motions numbered 9, 10, 11 and 12, and further applies to Motions numbered 3, 4, 5 and 14.

In other words, Madam Speaker, what I am suggesting is that the recorded division on Motion No. 6 should be recorded in our annals as also applying to Motions numbered 7, 3, 4, 5 and 14. It is also my understanding that the Motion for concurrence will be on division.

Madam Speaker: Does the House agree to the proposal?

Some Hon. Members: Agreed.

Madam Speaker: Agreed and so ordered.

The House divided on Motion No. 7 (Mr. Schellenberger) which was negated on the following division:

(Division No. 326)
