The Acting Speaker (Mr. DeBlois): I declare the amendment to the amendment lost.

Amendment to the amendment of Mr. Harvey negated.

Mr. Dingwall: I rise on a point of order, Mr. Speaker. I think you might find the disposition of the House to apply the division on the subamendment to the amendment of my colleague from Scarborough—Rouge River, and for the reverse to apply on the main motion of the government.

Mr. Hawkes: Mr. Speaker, as usual, consultations have been productive. I just want to confirm that that would be acceptable to government members.

The Acting Speaker (Mr. DeBlois): Is that agreed?

Some hon. members: Agreed.

The House divided on the amendment of Mr. Lee, which was negated on the following division:
